PARENTS AND COMMUNITY MEMBERS -

I cannot thank you all enough for the support and enthusiasm you have shown in passing our school bond to renovate and construct a K-8 campus for our children. We are so fortunate to have such a supporting community, and are excited to take on this work for the future of our district.

WHAT YOU CAN EXPECT IN THE FIRST YEAR-

From now, until approximately May of 2019, the district will enter into the "planning" stages of our renovation and construction of the elementary campus. This will be a collaborative process, with community members participating, in both the Bond Oversight Committee and the Design Team. There will not be many visible signs of progress until we begin to move the earth around in the Spring of 2019. In an effort to keep you as informed as you would like to, we will be regularly updating our bond tab on the NVSD website, under the facilities tab.

This summer we will be preparing the NVSD portfolio for the sale of our bonds and completing all of the prescribed requirements to access our \$4 million grant.

This work, renovating and constructing a K-8 facility, is a very large undertaking for our district. We are so thankful for the opportunity to expand the offerings for our students! Thank you Nestucca Valley School District community!

This school year we will be saying goodbye to four longtime NVSD employees. Many of you in the community may have attended school, while these individuals worked to make school a great place for you. Teri Butler, Jose Hernandez, Mary Groves and Sherri Finnel will all be retiring this year. If we were to add up all of their years of service, it would total over 100 years. Think of all of the students' lives that these professionals have had an impact upon. They will be missed!

I hope each of you has a restful and Vitamin D filled summer. We will see each of you in September 2018!

Misty Wharton

Superintendent/Elementary Principal

Nestucca Valley School District

"Learners Today, Leaders Tomorrow"

What a Whirlwind of a Year!

This has been a fun-filled, exciting, sometimes a little crazy, but never boring year. I consider it a privilege to get to work with your kids, and have enjoyed my time as their principal.

I wanted to let you know that we will have a Summer School program going on for students who need to make up some credits to get back on track for graduation, or want to become eligible to play sports. Our summer school session will begin July 30th and will run through August 16th, Monday through Thursday from 8:00 a.m. to 12:00 p.m. Transportation will be provided by the school district, as will lunch. We will have specific plans set up geared to help each individual get the most of the time that he or she possibly can. If you have any questions about summer school, please give me a call at (503) 392-3194 x101.

Registration for next year will be August 13th through the 15th. The first two days will be from 1:00 p.m. to 7:00 p.m., and the last day will be from 9:00 a.m. to 3:00 p.m. We are also working on providing Online Registration. This will include both new students and returning students. However, if you are interested in completing registration online, you must have a ParentVue account. If you don't have a ParentVue account, please contact Robin at (503) 392-3194 x100 to set one up. ParentVue is also a great way to keep track of your child's grades, attendance, behavior, etc.

Again, I have had a lot of fun with your children this year. I do look forward to summer, as we all do, but I also look forward to the next year. I get excited about improvements to make and watching the kids get involved in activities. Kids who are involved in any extracurricular activity in school (clubs, drama, music, speech or sports), as a general rule, are 20% more likely to have a better grades higher test scores than those students who don't participate in an extracurricular activity. Students who are involved in activities outside of school are also 22% more like to earn a Bachelor's degree or higher. Knowing these statistics, I encourage your kids to get involved. We are a small community. By getting involved, they become part of another family and make friends and have the support of a whole other group of individuals. They meet youth from other schools and make possible lifelong friends. We have many opportunities for our kids, but for now...have a great summer!

Ken Richwine
Principal
Nestucca Junior Senior High School

Thank You For All of Your Hard Work and Dedication!

Nestucca Junior Senior High is losing four employees at the end of this school year. Mary Groves (our technology teacher), Jose' Hernandez (our head custodian), Teri Butler (one of our instructional assistants) and Taileigh Prickett (our counselor.) The first three will be retiring and Taileigh will be moving down to North Bend. We just wanted to thank each one of them for all of the countless hours they have spent with our students and helping make this a great place to work. Thank you Mary, Jose', Teri and Taileigh. We will miss you!

Nestucca Valley School District participates in the National School Lunch Program (NSLP) and School Breakfast Program (SBP). Students may be eligible to receive Free or Reduced breakfast and lunch.

Nestucca Valley School District can not participate in the Special Milk Program while operating the NSLP and SBP. Any student who purchases an individual milk, regardless of their meal eligibility, will be charged \$.50 for the milk.

If you have any questions regarding this notice, please contact Liz Kellow at the District Office. 503-392-3194, Ext. 401.

**Now Hiring
Bus Drivers**

Substitute bus drivers are needed, with a starting wage of \$14.63 per hour. These drivers are needed quite often, so this is fairly steady work. If you are interested in finding out more information, please contact Bob Hurliman at (503) 392-3194

NJSHS Music

Nestucca Junior High Choir performed outstandingly well at the District 3 Middle School Choir Festival. This festival is a non—competitive but scored event.

The students were commended on their “nice tone,” “engaged faces” and “professional look and on-stage demeanor” by the judge, Steve Peter, who did a brief workshop with them after the performance.

Mrs. Serven is really pleased with how the students did, especially regarding their improvement. She emphasized to the group that music performance at festival is not about “beating another group” but rather for sharing quality music performances and for self-improvement, both as individual musicians and as a performing group. Last year’s score was excellent, at an 80, and they improved to 89 this year, something they can be very proud of.

To receive the positive comment about facial expression while performing is actually something we have worked hard on, from grades 7-12, chorally. Receiving that positive comment was a first, and that, along with good tone and professionalism, is a good achievement and recognition of a high standard of performance, which is our ultimate goal.

Nestucca Jr/Sr High Spring Concert went very well. The special feature was a full screen film created and timed by Mrs. Serven's husband, to go along with the HS Band's performance of Gustav Holst's

"Themes from The

Planets"--while the gym went dark, students used stand lights to perform the celestial piece. All four of our performing groups did very well that night!

Music a'la Carte took place just one week after the Spring Concert, and performers were excellent. They included several good singers, a song-writer (Aiden Jenema) who performed his own piece with vocals and guitar, and a hilarious skit performed by Mariah Hallock and Co. The show was MC'd by junior Ian Anderson and senior Mariah Hallock. Mrs. Serven has made plans with Mr. Foster to incorporate 2019 Music a'la Carte (aka "Spring Talent Show") into the Nestucca Games next year! Stay tuned for details, and students can be thinking now about what they might perform!

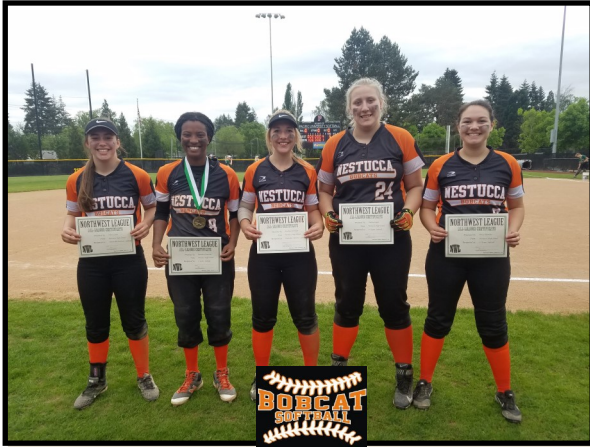

On June 9th, Mrs Serven and 2018 graduate Mariah Hallock performed "Amazing Grace" a cappella at the beach for the 2018 Blessing of the Fleet. Mrs. Serven's father, Archie Schenck, is on the Dory Memorial Wall at Cape Kiwanda.

NHS TRACK

We were able to get 7 athletes to the State Track Meet at Hayward Field. Many were first timers, so the experience will help them in future competitions. Joe Wilkinson and Ben Hurliman were District Champions (3000 and javelin, respectively). Also qualifying for State were Laurynn Dunn (Triple Jump), Shamilee Chatelain (javelin), Rachel Whittles (3000 and 1500), and Jonathan Winesburgh (pole vault). Ben also qualified in triple jump, and Joe 1500. Shamilee was our lone medalist, taking 7th in her event.

2018 NESTUCCA SOFTBALL

Nestucca Softball finished the season with an impressive 11 wins! The girls won 7 of their last 9 games including a thriller against Vernonia in the league playoffs. NHS beat Vernonia 6-5 at Pacific University on 5/16/18 to move them one game closer to the State Playoffs. The second game of the night, the girls took on Gaston in another great game, but couldn't hang on to the lead and lost 9-10 in a hard fought 7 inning game. Overall it was a successful season for the girls. The team graduated 3 players, Becca Menefee, Dakota Logan, and Kayla Cross. With a large returning group for next year, and a promising incoming freshman class, the team looks to start the season out hot and continue winning softball games! Go Bobcats!

All League Award Recipients left to right: Olivia Leslie, Honorable Mention; Shamilee Chatelain, 1st Team All League; Brooklyn McKillip, Honorable Mention; Dakota Logan, Second Team All League; Becca Menefee, Second Team All League

NHS BASEBALL HAS A SUCCESSFUL YEAR!

The 2018 Baseball Season was a fun-filled season. Nestucca has always had a strong baseball program and we continued that tradition once again. The team had an overall record of the team was 16-7-1, with an 8-4 League record.

Nestucca had a little bit of a rough break as far as the State Playoffs are concerned, as all leagues in the state get to take three teams into the state playoffs...except for our league. We only get to take two. Nestucca's off season schedule was filled with tough teams, so that the team improved. Several of those other teams went into the state playoffs. Our league happened to have three of the strongest teams in the state, and Nestucca just fell short during district playoffs. Coach Ken Richwine is very proud of the team though, because as hard as it was, they did not once place blame or point fingers at one another. They rallied together and shared their disappointment as a team. And, they are still a team. These boys are so close that they are really a family, and always will be.

Six of our starting nine players received All-League awards. Noah Chatelain and Gabe Garcia were Honorable Mention. Ben Hurliman was Second Team, and Wyatt Link, Mitchell Richwine and Cole Strober were named First Team All League. Mitchell and Cole were then named Second Team All-State. Cole was then selected to play in the All-State Baseball series the weekend of June 9th and 10th. He got to play in all three games and showed off his talent. All of these boys work hard to get better, even in the off season. Mitchell and Cole will be playing American Legion out of Newport this summer. If you would like to catch a game, they play in Newport, Salem, Corvallis, Portland, Hood River and Southern Oregon. You can find their schedule on ballcharts.com. Search for Mid-Coast Dungsies.

We have some great young players coming up, so Coach Richwine, Coach Sisco and Coach Kiser all look forward to next year.

It's starting to look a lot like SUMMER at the Nestucca Valley Early Learning Center! We are so grateful for all of the families who choose us to be a part of their early education, and are looking forward to another successful year and a "whole new batch" of families!

The Nestucca Valley Head Start Graduation and Family BBQ was a hit! Thank you to all of the staff and families who put in the time and effort to make this day a success. Congratulations to the 12 graduates who will be at the "big" school next year! We will miss you!

Applications for the Head Start program are accepted year-round. You can call the center to pick one up, or get one on-line: <http://nworheadstart.org/headstart-app.html> There are only a few slots remaining, but we always keep a waiting list, so don't hesitate to get your application in! This is a high quality, holistic approach to early learning and family engagement, and you don't want to miss the opportunity to be a part of it! Call 503-392-4449 x2 or email dwilkinson@nworheadstart.org if you have any questions, or want to set up a time to meet!

The NVELC Preschool will be wrapping up another great year on June 14th! Thank you to Teacher Lorena for your flexibility this year! If you are interested in registering your child for the 2018/19 school year, please call 503-392-4449 x1 or email info@nvelc.com

The child care side will be here all summer, so watch for fun activities going on! While we may have wait lists in the infant/toddler classroom(s), we also have a wait list that you can sign up for. Go to our website at www.nvelc.com for rate information and enrollment documents and all year long!

Lastly, don't forget our biggest fundraiser of the year- the Pacific City Beach Challenge!!! Sunday, August 12th, come join us for a fun run on the beach (kids run, as well!), some post-race beverages provided by the Pelican Brewing Company, and purchase some raffle tickets for really cool items donated by local businesses! We have been a 501c3 Non-Profit organization since 1991. We have fundraisers and also attempt to write grants to keep our rates reasonable and affordable for families in South Tillamook County. Thank you to all of the sponsors and individuals who support us, and to our Board of Directors, who volunteer their time on this race!

Join us for the 9th Annual Pacific City Beach Challenge!

HOME IS WHERE THE HERD IS

May 5, 2018

Dear 2018 Clover's Day Parade Participant:

On behalf of the Clover's Day Committee, we would like to take this opportunity to invite you to be in our parade on July 7, 2018. Our theme this year is ***"HOME IS WHERE THE HERD IS."***

We have a great line up of events this year, as in years past. The parade starts at 12:00 pm, followed by buggy rides and live music. Returning this year, we have the band ***Countryfied.*** There will be vendors on site selling their wares for shopping, and of course our local merchants. The Nestucca Valley Lions will also be putting out their famous Elephant Ears.

Please fill in the parade entry form on the back of this letter and return it ASAP or no later than June 22, 2018 to the address listed on the form. With your participation and support, this will be a fun-filled event. We look forward to hearing from you. And by the way, we love newcomers, so please feel free to invite friends and family to be in the parade, watch, eat and shop.

Sincerely,

The Clover's Day Committee

What is Double Up Food Bucks?

Each summer Food Roots facilitates Double Up Food Bucks at farmers markets across the county. Double Up Food Bucks (previously known as SNAP Match) is an incentive program that provides low-income households who receive Supplemental Nutrition Assistance Program (SNAP) benefits with a one-to-one match to purchase locally grown fruits and vegetables at farmers markets. Each week a participant is edible for up to a \$10 match to spend on extra in produce. This is a program that support our community in many ways by supporting food insecure families in purchasing more fresh foods, while local farmers gain new customers and increase their profits, and more federal assistance dollars stay in our local economy.

For the past five years, Food Roots has been coordinating this program across our county. In Tillamook County there is a farmers market in Manzanita, Tillamook, Pacific City and Neskowin. All four markets in Tillamook County participate in a SNAP Matching program. Over the course of this program Food Roots has recorded \$36,306.00 of revenue generated at our local farmers markets as a result of SNAP and DUFB sales. If you wish to support or learn more about this program please visit foodrootsnw.org or stop by our office on 113 Main Street, Tillamook, OR.

Double Your SNAP Dollars
At Tillamook County Farmers Markets

Follow these simple steps:

- 1 GO** Go to your farmers market information tent
- 2 SWIPE** Swipe your EBT card for tokens to buy SNAP eligible foods
- 3 MATCH** We match up to \$10 a day with Double Up Food Bucks for fruits and vegetables
- 4 SHOP** Shop at the market!

...EASY, RIGHT?
• See back for market location •
