Parents, Guardians, and Community:

I am writing this letter while listening to a most wonderful sound. The sound of students on the playground laughing and talking while enjoying the new equipment. Having students back in the building is something that thrills myself and the staff. We appreciate all of your hard work on the behalf of our students to bring us to this point.

Further, the first days of in person instruction have gone better than I could have expected. The admirable work of our staff and the enthusiasm of our students and families deserve credit and recognition for how well things have gone. I look forward to seeing our student continue to grow and thrive as they settle into the new routine of school.

As we move forward through the remainder of the school year please continue to encourage your students to work hard, as they are, and enjoy their time at school. Finally, thank you for entrusting us with your students, they are a joy to work with.

Respectfully,

Chad C. Holloway  
NVES Principal

## Athletics Update From John Elder

**Spring sports start practices Monday, April 5. As you noticed, there is a little overlap with Fall sports! Games and meets start the next week (Baseball 4/13, Softball 4/14, track 4/15). Schedules will be placed on the school website.**

**It looks right now (we are currently a Moderate Risk county) that spectators will be allowed, however must be in a separate location with separate entrance, exit and restrooms from competitors.**

**Fans will likely be restricted to the Grandstands at our home events. If our County status changes, so could our ability to allow fans. Unsure at this time about other schools allowing spectators, but it is likely at least in a limited fashion.**

**Remember our goal-get kids back on the fields and the track! We will post information on Facebook page and school website.**

**Bring on Spring! By the way, there will be even less of a transition from Spring sports to Winter sports in May! Stay tuned.**

# COLLEGE & CAREER

**Looking for ways to help your senior look for money to help pay for college next year?  
Or are you the parent of a junior and you're looking for knowledge?**

We have a whole list of scholarships on a Canvas page called, "SOAR," that all seniors have been added to so that they can see more detailed information about applying for scholarships and grant funds.

Below are examples of three local scholarships that are coming due in the next month or so, but there are many others listed on the SOAR page.

Any student with a student email account can be added to the page by contacting Mrs. Elder at [carae@nestucca.k12.or.us](mailto:carae@nestucca.k12.or.us) or calling at 503-392-3194 ext. 202.

**The award amount is \$1000 scholarships for two graduating seniors from Nestucca High School. Two scholarships will be awarded for the 2021-2022 school year. Any Nestucca High School senior, regardless of GPA, who is a resident of Oregon. The award money will be applied to the receiving student's account for tuition, books, and any other required supplies.**

**Applications are available in the Nestucca Jr/Sr High School Office.**

**The application deadline is May 10, 2021.**

**Please mail the application to:  
Sandy Hanneman- Mobley, PO Box 413, Pacific City, OR 97135**

## Tillamook County Soil and Water Conservation District Scholarship

The economy for Tillamook County comprises mainly of Agriculture, Forest Products, Fishing, and Recreation. For this reason, the Tillamook County Soil and Water Conservation District (TCSWCD) is committed to supporting local students who care about our natural resources and wish to promote conservation, impacting future natural resource decisions. Our goal is to assist college students majoring in the field of agriculture, natural resource science, or a related discipline. **The district is pleased to offer three- \$1,500 scholarships for the 2021-2022 school year.**

### Scholarship Eligibility

- Students must be a graduate of a Tillamook County high school or a current resident of Tillamook County.
- Scholarships will be awarded to a graduating high school senior or a resident of Tillamook County to be enrolled at any University, College, Junior College or Trade School, working toward an associate, bachelor, graduate degree or trade certification.
- Applicant must be a full-time college student (12 hours or more per quarter or semester equivalent) studying agriculture, natural resource sciences, or a related field (i.e. horticulture, trade).
- It is possible to reapply for the scholarship annually.

### Application Requirements

- Complete and sign the application form. The form is available at the TCSWCD office at 4000 Blimp Blvd. Suite 200 Tillamook, OR, 503-842-2848. It is also downloadable from the TCSWCD website <http://www.tillamookcountyswcd.org>

**COLLEGE WORK  
PROGRAM**

Tillamook PUD 2021 College Work Program is an excellent opportunity for students to earn money during vacation and summer breaks from college or vocational school. The scholarship is offered each year to one graduating senior who resides in Tillamook PUD's service area. In the event of a tie, two students may receive the award, at the Board's discretion. The program is open to students pursuing a two-year technical degree, a two or four year college degree.

Application Form & Criteria is available at the Nestucca Jr Sr High School main office. Apply on line at [www.tpod.org](http://www.tpod.org) Deadline is Monday April 5, 2021 by 5 pm.

# TILLAMOOK BAY

## COMMUNITY COLLEGE

The TBCC First Class Scholars Program 2021-2022 is a scholarship available to qualified Tillamook County high school or home school graduates that partners with the Oregon Promise to provide funding for tuition, fees and books.

As long as the student maintains his or her eligibility, Tillamook Bay Community College will award **\$750 per year** for the 2021 and 2022 years or until the student earns his or her first degree, whichever comes first.

Selection for the program will be based on the quality and completeness of the application and essay. We encourage all interested applicants to apply.

### **Eligibility Requirements**

If you don't currently meet these requirements, **still apply!**  
There may be a way to still be accepted into the program.

### **Career Technical Degree**

## HAPPY SPRING FROM ALL OF US AT THE EARLY LEARNING CENTER!

We hope you have been enjoying all of the materials the teachers have been sending home (like pictured!) As we start our hybrid model (in-person OR comprehensive distance learning), we will continue to send these packets home to all of the families who are choosing to stay home the rest of the year. Please continue to meet with your teachers, and let us know how we can support you and your child's learning at home. We have a new handbook for the remainder of the year and COVID guidelines and other policies and procedures meant to keep our staff and community safe. You can find all of this information on our website: [www.nvelc.com](http://www.nvelc.com)

We are excited to have students back on campus, as well as continuing our engagement with those on Zoom. For the remainder of the year, we are running a Monday – Thursday morning session for those families that *are currently enrolled*.

Stable cohorts are required by the Early Learning Division so our rosters will not change until the fall. With that in mind, we have also shifted some of the students around in order to keep families in the same cohort. Our lead teachers, Autum Marsh and Ashlee Sears, along with their assistants, Cindy Marshall, Natasha Durgan and Ebony Franklin have been putting schedules together, creating staggered parent drop-off/pick-up and recess times. The staff will continue to be focused on those students that will be learning from home as well. We want to make sure everyone feels included!

Please stay tuned for information re: preschool and Kindergarten registration as well as summer or kinder-readiness camps. If you have any questions in the meantime, contact your teacher, or myself. Thank you to all of the families who have worked with our teachers and staff, showing patience and respect this year.

# NVES Playground Surface

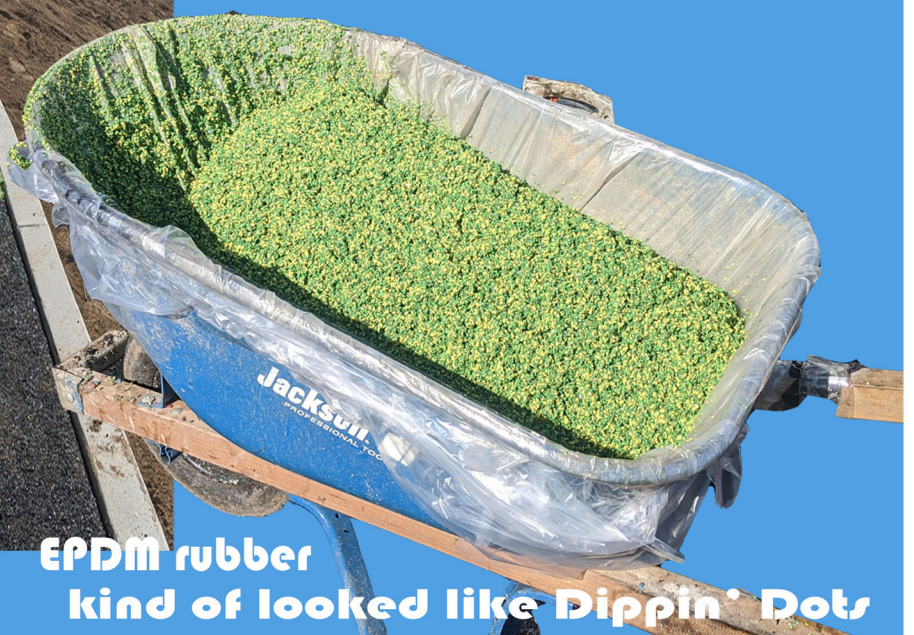

The top layer is 2-3 inches of 100% post-industrial recycled EPDM rubber. EPDM is a flexible rubber used for things like vehicle coolant hoses/ window/door seals

The base mat layer consists of 3-4 inches of 100% post consumer recycled SBR rubber (used for things like tires/tennis shoes)

Sealed with a urethane adhesive

EPDM rubber kind of looked like Dippin' Dots
