All of us at the ELC are grateful for the leadership of Superintendent Misty Wharton. She works hard to keep all of us safe, supported and genuinely cares about every single student in this district. The NVSD is lucky to have such a forward thinking, out-of-the-box advocate who is also a dedicated Bobcat herself.

We hope we are creating more of those in district!

# South Tillamook County Emergency Volunteer Corp

The South Tillamook County Emergency Volunteer Corp has been awarded grant funds and would like to put them to good use. The board has agreed to purchase GMRS handheld radios to families that are interested and willing to participate in emergency communications preparation in the community.

Attached is the form to fill out if a family is interested in participating.

You can find out more about the radios here: GMRS (Global Mobile Radio Service) – South County Tillamook Emergency Volunteer Corps ([southcountyevc.org](http://southcountyevc.org))

We are very lucky to have this team in our community, working behind the scenes on ensuring our safety in many ways.

For more information on this work, check out the website here: South County Tillamook Emergency Volunteer Corps – Volunteers helping South County Tillamook ([southcountyevc.org](http://southcountyevc.org))

**If you would like to participate in the GMRS radio communications preparation, please fill out the form (next page) and return to:**

**AGREEMENT BETWEEN  
THE SOUTH TILLAMOOK COUNTY EMERGENCY VOLUNTEER CORPS (STCEVC)  
AND  
RECIPIENT OF A GMRS RADIO**

The STCEVC is looking to expand its emergency communication network in South Tillamook County. An effective emergency communications network is critical during a disaster. The STCEVC received a grant from NW Oregon Health Preparedness Organization to purchase GMRS handheld radios and distribute them in South Tillamook County. We have focused distribution in the Cloverdale, Hebo, Beaver, Blaine and Sandlake communities.

You have been identified as someone who could assist the STCEVC with its emergency communications network. If you agree to work with the STCEVC on emergency communications, you will receive a handheld GMRS radio.

**By accepting an STCEVC radio and by signing this document, you agree to the following:**

- 1. I agree to take excellent care of the radio by keeping the radio in a safe and secure, but easily accessible location, by not changing or damaging the radio in any way and by charging the radio correctly as needed.**
- 2. I agree to attend a training class on how to operate the radio.**
- 3. I agree to participate in monthly 15-minute-long radio drills.**
- 4. I understand that the radio is to be used only for training, drills and in a disaster event.**
- 5. If a disaster occurs, I will get to safety and turn on my radio.**
- 6. I agree that if I move out of Tillamook County, I will return the GMRS radio to the STCEVC.**
