Nestucca Valley Food Services

For 2022 Food Services will continue to work with our state Child Nutrition Specialists to add meal offerings to district students. In January, we are once again launching Supper service. This meal is offered after the instructional day has ended and in conjunction with enrichment activities before transportation departs our schools. Supper will begin at the High School the first week of January, with K-8 service starting later in the month.

WE NEED BACK UP

January 2022!

"We do not need to teach creativity, but rather inspire its daily practice."

—Diane Darrow, educator

What We've Been Up To!

This month we continued our discussions on traditions, celebrations and holidays. We started building a classroom recipe book. We asked all our families to send in a recipe and tell us why this is their families favorite recipe and tell us a little bit about their families traditions. We are excited to learn a little more about our families in our class.

We also took a trip around the world to learn about Holiday traditions in other countries. We visited Australia, Germany, Mexico and the United States and learned about lots of neat traditions around the world. On Thursday before our Holiday break we got to try cookies from each of the four countries, and decide on our favorite cookie recipe.

Lo Que Hemos Estado Haciendo!

Este mes continuamos nuestras discusiones en tradiciones, celebraciones, y días festivos. empezamos a crear un libro de recetas de la clase. Les pedimos a todas nuestras familias que mandaran una receta y nos dijeran porque esa receta es su favorita y que nos dijeran un poco de sus tradiciones familiares. Estamos emocionadas de aprender un poco más de las familias en nuestra clase.

También tomamos un paseo alrededor del mundo para aprender de tradiciones de días festivos en otros países. visitamos Australia, Alemania, México, Y Los Estados Unidos y aprendimos mucho de bonitas tradiciones alrededor del mundo. El Jueves antes de salir a nuestras vacaciones de invierno probamos galletas de los 4 países mencionados anteriormente, y decidimos nuestra receta favorita de galletas.
