

NESTUCCA VALLEY SCHOOL DISTRICT NEWSLETTER

NOVEMBER//2022

K-4 Winter Concert: Wed, Dec. 7 @ 7:00 pm

Nestucca Valley K-8 will be presenting their Winter Concert Wednesday, Dec. 7 at 7:00 pm in the Nestucca Valley K8 gym. Grades K-4 will sing a wide variety of winter and seasonal songs. The students are encouraged to dress nicely for the concert. Please have your children report to their classrooms by 6:40.

2022 Winter Band Concert Wednesday Dec. 14 at 7:00

Band students in grades 5-8 will present their Winter Concert Wednesday Dec. 14 at 7:00 in the Nestucca Valley K8 gym. This will be the debut of the beginning fifth grade band, followed by the 6th grade band, and the 7th & 8th Grade Band. Fifth grade and 6th grade students are encouraged to dress nicely for the concert. The 7/8 Grade band students are to dress in concert black – black bottoms, black tops – boys please wear a shirt with a collar as we will wear orange ties.

All students are to arrive by 6:40, 5th grade band students report to their classrooms with their instruments and music. Sixth grade students please report to Mrs. Filosi's room with instruments and music, and 7/8 grade students report to the band room.

Custodian's Corner!

written by K-8 Head Custodian,
Brian Moore

Happy Fall Everyone. I would like to talk to everyone about when to call a custodian and when it's OK to take care of it yourself, or having a student take care of it.

We will start with the obvious, if it is a body fluid or could be contaminated by body fluid, please call a custodian to clean up the area regardless of size. This is something that we are good at cleaning up.

Now if it is just a food or water spill and it is not overly large or really sticky or messy, you or the students should be able to clean it up with little worries.

However, if the mess is large and would cause a bigger disruption in class then a custodian coming in to clean it then by all means please reach out and we will be there promptly. If you are not sure about the origins of the mess then it is always better to call the custodians and we will work our magic.

I hope this will help to reduce any unnecessary interruption in class and help to answer any questions that you might have. Have a great November.

NHS Theater Presents "How to Survive a Zombie Apocalypse"

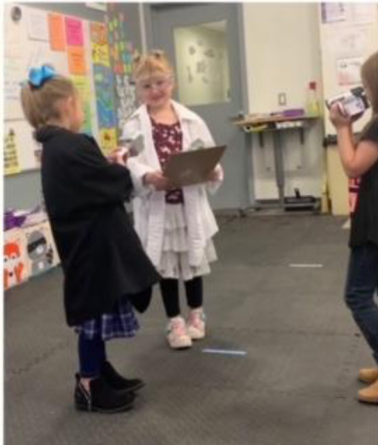

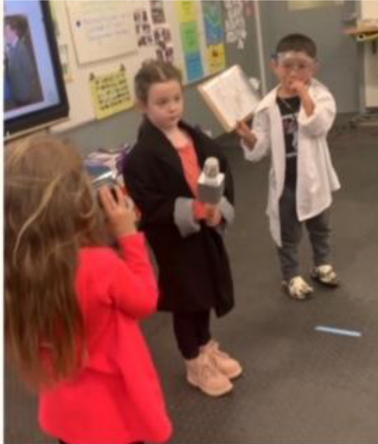

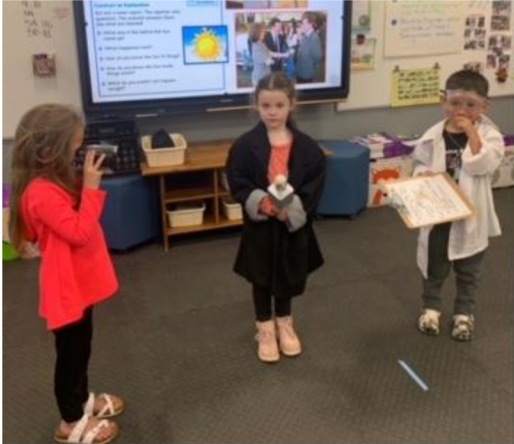

We are inviting students and adults to come to our Fall Play on Friday, November 18, and Saturday, November 19, at 7:00 PM.

The performance is called "How To survive A Zombie Apocalypse," and will include wonderfully useful information about zombies and how to survive in general.

We will be up on the stage as we used to be - it feels so good to be able to be "home" so to speak!

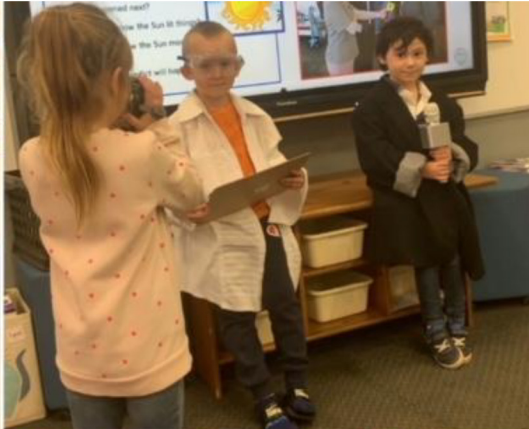

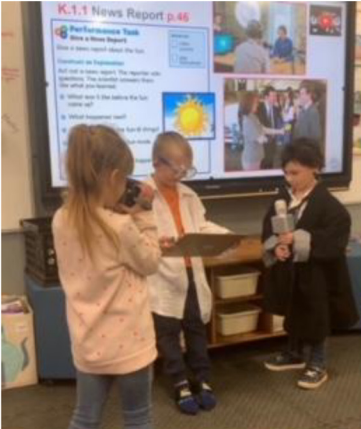

Tickets are \$5 at the door. You never know when you might need this information - join us!

5th Grade -
How does the geosphere affect Earth's other systems?

5th Grade Performance Task: Make a model of a rain shadow

Fall Community Feedback Sessions in Nestucca Valley School District

Background

Throughout the fall, Nestucca Valley School District will ask students, families, staff and community members to provide feedback on our school district priorities. You may be invited to complete a survey, speak up at a community event, sit down for an interview, or share your perspective in some other way.

What will Nestucca Valley School District ask about?

In order to understand how best to support students and respond to current needs, we will ask about your experience with existing programs and priorities for new ones. Themes will include:

- Preschool programming
- Academic intervention and support
- College and career preparation
- Student mental health and wellness

How will my input be used? What are the next steps?

We will use the information we gather to plan important investments, staffing decisions and program designs for the upcoming school year, especially in the following areas:

- **High School Success** (i.e. dropout prevention, career & technical education, college-level education opportunities)
- **Student Investment Account** (e.g. health and safety needs, well-rounded learning experiences)
- **Continuous Improvement Planning** (general improvement efforts)
- **Career and Technical Education**
- **Every Day Matters** (e.g. attendance, school culture)
- **Early Indicator and Intervention Systems**

These six areas form our Integrated Plan. We will share a draft Integrated Plan later this winter to ensure we capture what's most important to our school district community. Read more about Integrated Plans on the Oregon Department of Education website: <https://bit.ly/3F3M9nE>

NHS ART CLASS SEEKING FISH DONATIONS!

Hello Nestucca Community!

My name is Sydney Leja, and I am the current art teacher at Nestucca High. This year, I was hoping to teach Gyotaku fish printing, which, simply put, is covering a dead fish with paint and using it as a stamp.

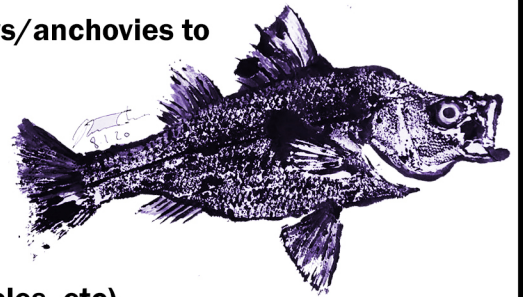

I was hoping that anyone who may fish, go clamming or crabbing, or regularly purchases seafood, or owns a fishing/Dory charter might be willing to donate a fish to our art class.

Fish/animals we are looking for are any and all:

- fish with unique shapes (rockfish? Cod? Halibut?)
- fish of any size, small, medium, large, xl,- anything from minnows/anchovies to large salmon or cod, etc

-Fish/shellfish/mollusks from

- the ocean
- rivers/streams (salmon?)
- lake/pond (bluegill, bass?)
- mollusks of any size/shape (oysters, mussels, gooseneck barnacles, etc)
- shellfish (dungeness crab, shrimp, crayfish, etc)
- fish you may have forgotten was in the freezer for a few years and probably has freezerburn
- fish can be ones you may not consider food grade, like one with a weird growth or missing an eye or something. Honestly I'm not sure how you would judge a fish to throw back or keep, but I thought it was worth mentioning.

I understand that many people value these animals as food and may find this wasteful, but I was hoping to use it as a tool to teach students about ocean biology, animal anatomy, and art history as well as teaching them the art process, as to value the life of these animals as much as we can. We need ***full body*** fish- they can be gutted but we can't use fish ***meat*** specifically.

Once the fish are used for this project, they would no longer be food safe; *however*, I do think we could potentially preserve them for future use.

Should you be willing to help with this project, I am more than happy to make sure you receive a print, if you want it!

Please let me know if you are able to donate or have any questions, or if you know anyone who would like to help!

Thank you so much!

Sydney Leja
NHS Art Teacher

NHS Student Council Seekings Donated Holiday Decorations!

NHS Student Council is accepting any holiday decorations that you may no longer use in/within your home.

Any and every holiday or season is accepted!

Halloween, Thanksgiving,
Christmas, Valentine's Day,
St. Patrick's Day, Easter,
4th of July, etc

To make a donation, please reach out to Sydney Leja:
503-392-3194 ext 128, or email SydneyL@nestucca.k12.or.us.

Thank you in advance!

CLOVERDALE NESTUCCA VALLEY LIONS

PARENTS: If you requested a Christmas Basket, you will receive a voucher by the end of November. If you did not list an email address on your request form, the voucher will be sent to your mailing address.
