

# NESTUCCA VALLEY SCHOOL DISTRICT NEWSLETTER

JANUARY//2023

## Bobcat Musicians are Among the Best!

District III Honor Band students (pictured right) are meeting at Forest Grove HS this year, and performing with the finest high school band musicians in this section of Oregon. About 13 schools are involved.

Students have been rehearsing music on their own for a couple weeks, and will rehearse together for the first time Friday and Saturday, January 6 and 7th, culminating in a concert at 3pm Saturday.

Congrats to our Northwest Honor Band students (left)! Landon Flores on alto sax & Rachel Gregory on flute. NW Honor band had 80 bands represented, with Rachel earning 3rd chair flute in symphonic band out of 23 flutes and Landon got 2nd chair in concert band alto sax out of 18 saxophones. Congratulations!!!

NW Honor Band meets in Tacoma, Washington at Pacific Lutheran University. Rachel and Landon have prepared individual audition solos for this event, just for auditioning into honor bands (Concert or Symphonic) for chair placement.

They will see their music for the first time Friday morning, and rehearse Saturday also, with a concert Saturday night at 5pm.

# HATS

for

# BATS

The Nestucca Baseball Team is now selling hats as a fundraiser for the upcoming 2023 season.

This year's Game Day hat features a new Bobcat paw logo. The hat is \$35, or you can buy 2 hats for \$60.

Other Nestucca baseball hats are also available for purchase. Please find Coach Sousa at each home basketball game to purchase hats, or contact him at the number/information listed below. All proceeds go to support purchasing team bats for the Nestucca Baseball Team.

# Nestucca Valley Backpack Program

PO Box 793

Pacific City , OR 97135

November 18, 2022

Greetings from the Nestucca Valley Backpack Food Program,

We would like to thank the community for their support and generous donations over the Covid Pandemic. We were not able to do a fundraising gathering for the past several years but we received many donations to keep us going. In order to meet the needs of our students in the upcoming school year, we need your help.

We have been providing weekly backpacks filled with food to help Nestucca Valley students in need for about 15 years. The school district offers elementary students three meals a day during the school week. Our program helps provide students with food for the weekend when they are not in school.

This year, as inflation has driven up food prices, the cost of each bag has increased from \$11 to \$14 per bag. The number of students enrolled has doubled since last year and some of our top sources are not able to provide as much food as in the past. This is why we need your help.

Please send your donations via mail to the address listed above or make a donation online at, [nvbackpackprogram.org](https://nvbackpackprogram.org).

Thank you in advance for your contribution. Your donation will feed many students in our community so they can start each school week ready to learn.

Sincerely yours,

Nestucca Valley Backpack Fundraising Committee

# NHS ART CLASS SEEKING FISH DONATIONS!

Hello Nestucca Community!

My name is Sydney Leja, and I am the current art teacher at Nestucca High. This year, I was hoping to teach Gyotaku fish printing, which, simply put, is covering a dead fish with paint and using it as a stamp.

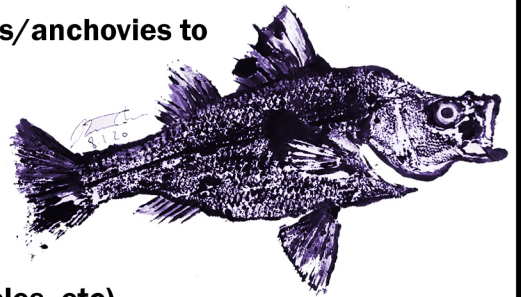

I was hoping that anyone who may fish, go clamming or crabbing, or regularly purchases seafood, or owns a fishing/Dory charter might be willing to donate a fish to our art class.

*Fish/animals we are looking for are any and all:*

- fish with unique shapes (rockfish? Cod? Halibut?)
- fish of any size, small, medium, large, xl,- anything from minnows/anchovies to large salmon or cod, etc

*-Fish/shellfish/mollusks from*

- the ocean
- rivers/streams (salmon?)
- lake/pond (bluegill, bass?)
- mollusks of any size/shape (oysters, mussels, gooseneck barnacles, etc)
- shellfish (dungeness crab, shrimp, crayfish, etc)
- fish you may have forgotten was in the freezer for a few years and probably has freezerburn
- fish can be ones you may not consider food grade, like one with a weird growth or missing an eye or something. Honestly I'm not sure how you would judge a fish to throw back or keep, but I thought it was worth mentioning.

I understand that many people value these animals as food and may find this wasteful, but I was hoping to use it as a tool to teach students about ocean biology, animal anatomy, and art history as well as teaching them the art process, as to value the life of these animals as much as we can. We need **\*full body\*** fish- they can be gutted but we can't use fish **\*meat\*** specifically.

Once the fish are used for this project, they would no longer be food safe; however, I do think we could potentially preserve them for future use.

Should you be willing to help with this project, I am more than happy to make sure you receive a print, if you want it!

Please let me know if you are able to donate or have any questions, or if you know anyone who would like to help!

Thank you so much!

Sydney Leja  
NHS Art Teacher

# **NHS Student Council Seekings Donated Holiday Decorations!**

NHS Student Council is accepting any holiday decorations that you may no longer use in/within your home.

Any and every holiday or season is accepted!

Halloween, Thanksgiving,  
Christmas, Valentine's Day,  
St. Patrick's Day, Easter,  
4th of July, etc

To make a donation, please reach out to Sydney Leja:  
503-392-3194 ext 128, or email [SydneyL@nestucca.k12.or.us](mailto:SydneyL@nestucca.k12.or.us).

*Thank you in advance!*
