Attention Counselors!

Helping our High School students get ready for college is always a fun and challenging task. There is so much for them to accomplish before they walk across that stage and get their diploma at the end of the school year. Prepping them for the next step and helping them find ways to finance for college is one of those steps.

Encompass Niagara Federal Credit Union offers several scholarships every year to graduating High School students that have been accepted into college. We are contacting you because your school is located in our field of membership and all of your students qualify! Our only requirement to apply for the scholarship is the student must be a member of Encompass Niagara Federal Credit Union.

To become a member of the Credit Union, the student must open a savings account with a minimum balance of \$25.00 and provide a copy of identification. A school ID will be accepted with a copy of their birth certificate and/or Social Security card in the absence of a State issued permit/driver's license. A minor (under 18 years old) will need a joint owner such as a parent or legal guardian. Students can join the Credit Union at any time and membership is open to all students of all grade levels.

Enclosed is a copy of our scholarship materials and some membership information. If you have any questions or you would like me to send you additional copies, please contact us at (716) 236-7678 Monday through Friday, 9am-4:30pm.

Sincerely,

Stacey DuFour
MSR Manager
