

Academic Information Night!

Everyone is welcome!

Thursday, October 3

5:30-6:30 In Classrooms & In the Library

Teachers will provide a half hour session starting at 5:30 and repeating at 6:00 (in case of parents wanting to attend for more than one child).

Teachers (except for Grade 1 teachers, who already had a Family Information Night) will provide curriculum information, classroom routines, expectations for the upcoming year, and let you know about classroom communication. They will be happy to answer any questions you have.

Also, in the library, Clara McCoy (School Psychologist), Mary Beth O'Connor (Title 1 Reading Teacher), and Beth Brady (Title 1 Math Teacher) will share information about our school's assessments and interventions (at 5:30 and again at 6:00).

Mrs. Madden will be offering hot cider and conversation in the Staff Room (off the library)

And...that's not all! The Title 1 Annual Meeting and Pizza Dinner will take place in the cafeteria from 5:00-5:30. Please join if you are parent/caregiver of a student receiving Title 1 intervention services.

Childcare for school aged children will be provided by Ms. Minton & Mr. St. George (hopefully outside—but if inclement weather, in the gym)

Come, listen, ask questions, and learn!

Call the school office if you need a ride.
