

August 2020

Dear RKF/Ryan Road Parents & Guardians,

I would like to take this opportunity to introduce myself. My name is Karen Schiaffo and I am the new nurse for your school. I have been a nurse for 30+ years and a school nurse for the last 14 years. My last position was at JFK Middle School and I was there for almost 12 years. I enjoyed my time there but the opportunity arose so I transferred here. I started my school nurse career at Hilltown Charter School, so I have spent some time with younger children.

I am very excited to be a part of this school community and welcome any concerns or questions that you may have. I realize that these are challenging times during the Covid-19 pandemic. If I can assist you in any way, I'd like to help. Please do reach out.

I look forward to speaking with you and meeting you in the future. Feel free to contact me at my office at 587-1557 or via email at kschiaffo@northampton-k12.us.

**Take good care,
Karen Schiaffo, MSN, RN**
