

"COVID-19 has taken so much from our students. There have been relief packages for workers and small businesses. Our students are still waiting for their relief, and it's clear that if our community doesn't come through for them then no one will. Our PTOs and local community are our last hope. We are community."

- John Provost, Superintendent, Northampton Public Schools

**This holiday season,
YOU can help make this very tough school year better
for our students and teachers in Northampton!**

All Northampton Public School PTOs and REAL have joined together in a district-wide fundraising campaign - **#WeAreCommunity**. This fund will help students and staff at *all* six Northampton public schools – elementary, middle and high school. Please consider helping to ensure every student has access to what they need to learn and grow this school year.

Whether you are a parent, grandparent, aunt, uncle, friend, neighbor – you can help our kids and school staff navigate the many challenges of this school year.

Your donation will fund important needs for remote and in-person learning such as:

- WiFi hotspots, Comcast internet service
- Headphones
- Masks
- School and classroom supplies
- Equipment to make in-person learning safer
- Innovative ideas to supplement remote learning
- Basic needs during these tough times

You can contribute to #WeAreCommunity at:

charity.gofundme.com/wearecommunity-fund

or by mailing a check to: Leeds PTO, 20 Florence Road, Leeds, MA 01053

Thank you!

And if you are an NPS family in need, please contact your school's PTO or principal – we are here for you and will do our best to help!
