## Notification regarding starting and ending times for school buildings

Recently we shared new starting and ending times for our schools for the 2022-2023 school year. After reflecting on those changes and because we are currently hiring two new employees in key spots in the Transportation Department, we have decided to continue with our present schedule for another year with one exception. Northwood Elementary will begin five minutes later than this year and end five minutes later. Northwood will begin school at 9:00 and end the day at 3:50 p.m. This decision will allow our new personnel to become more familiar with our district and trained in our new bus routing software. We appreciate your input on the proposed changes and your patience as we work through the challenges of finding bus drivers and substitutes. We will continue to study our transportation practices to create a schedule that will best serve our families and district as we prepare for the opening of two new schools in the fall of 2023.

We appreciate the efforts of our students, families, and staff in making this a successful school year. Enjoy your summer and we look forward to seeing you in August! Go Vikings!

**Jeff Wendorf**

## Hoover High School Commencement 2022

Hoover High School presented diplomas to members of the Class of 2022 Sunday, May 22, at 7:00 p.m. in Memorial Stadium. Senior Class President **Jesse Halmasy** welcomed the graduates and their guests and led his classmates in the traditional turning of the tassel. The Hoover High School Brass Ensemble played "Pomp and Circumstance," while Hoover's Symphonic Choir performed "If Music be the Food of Love."

Speakers for the senior class were **Samantha Kocher**, representing Summa Arts; **Angela Roshak**, representing Summa Athletics; and **Siena Pilati**, representing Summa Academics.

**Samantha Kocher** represents excellence in the arts. She has taken private lessons for more than ten years, where she refined her piano, oboe, and vocal skills. For seven years, Samantha performed in vocal and band programs in the North Canton City School District. Her musical talent and leadership skills earned her first chair for oboe and co-leader of color guard for band. She served as president of the choir and belonged to the Malone Honors Choir for four years. She held lead roles in various productions for Hoover and the North Canton Playhouse, including her role as Cosette in *Les Miserables* and Sandy in *Grease*.

*"Artists bring color to the world. We are the ones who breathe life into others and ourselves. Yes, it's stressful and time consuming, but life without us would be full muted tones, flatlining notes, and dull rhythms." –Samantha Kocher*

Samantha will attend The Ohio State University in the fall, where she hopes to audition for the choir and performing arts programs. She will carry a double major in architecture and business and a minor in American Sign Language.

Samantha is the daughter of Anne and Brian Kocher.

**Angela Roshak**, representing excellence in athletics, has been a three-sport athlete at Hoover, participating in cross country, basketball, and track where she earned a total of nine varsity letters. Angela has been a regional qualifier three times in cross country and track, and she and her basketball teammates have made it to district level competition for the last four years.

## NCCS to partner with YMCA Childcare

The North Canton City Schools is happy to announce we have partnered with the North Canton YMCA to provide before and after school childcare. All childcare for students in grades K-5 will be handled at Northwood Elementary school, and the NCCS will provide busing as needed between Northwood and the other three elementary schools.

### BEFORE AND AFTER SCHOOL CARE

**WHO:** K-5th grade students enrolled in the North Canton City School District

**WHEN:** Monday - Friday (Programming available when school is in session)

**BEFORE SCHOOL HOURS:** 6:30 am - school begins

**AFTER SCHOOL HOURS:** School dismissal - 6:30 pm

To help the YMCA staff this program, parents are encouraged to start the registration process as soon as they know they will need care. Registration information, pricing, and other important information can be found at: <https://www.ymcastark.org/ccregistration>.

### Non-Discrimination Policy

The North Canton City School District affirms that no persons shall, on the basis of sex, race, color, national origin, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity conducted under its auspices. This shall extend to employees therein and to admission thereto. Inquiries concerning the application of this policy may be referred to the superintendent or designated coordinator. This policy shall prevail in all board policies concerning school employees and students. Title VI complaints (sex, race, color, national origin, or disability) should be referred to David Pilati, Assistant Superintendent, at 330-497-5600 or pilatid@northcantonschools.org.

## 809 to 303 = 3.8 Means We Need Your Help

**Dave Pilati**  
 ASSISTANT SUPERINTENDENT

You may be thinking to yourself, “What in the world does this article title mean?” Let me explain. Prior to the pandemic in the 2018-19 school year, there were 809 registered substitute teachers through the Stark County Educational Service Center. This is the pool of people that the North Canton City School District and almost all the Stark County school districts use to acquire substitute teachers when teachers have to miss school due to being sick or their immediate family members being sick or due to attending workshops, conferences, or training session in an effort to gain new knowledge to help them improve teaching and learning. By the 2020-21 school year the number of registered substitute teachers was down to 554 and by the 2021-22 school year the number had fallen to 303. So in three years, the number of registered substitute teachers in the Greater Stark County area had decreased by almost 63% from 809 to 303.

Students and educators all over Stark County and certainly here in North Canton from preschool through high school bore the brunt of the impact of this decrease in substitute teachers. Prior to the pandemic, it was very rare for a teacher who was missing school to not have a substitute teacher in their place. However, from November 2020 through May 2021, the North Canton City School District averaged 3.2 teachers per day without a substitute in its K-12 classrooms, and during the recent 2021-22 school year, that number increased to 3.8 teachers per school day without a substitute. This increase over the past year in classrooms without substitute teachers was common across all of Stark County even though almost all Stark County school districts, including North Canton, raised their daily pay rates for substitute teachers.

So, what happens when there are classrooms without substitute teachers? One option is that schools resort to piecemealing the coverage of the teacher’s classroom hour by hour or period by period by pulling teachers from their daily planning time, which means that teachers who are used in this way do not have adequate time to plan for their

teaching for that day, to collaborate with their colleagues, or to evaluate student work. Additionally, when this is the solution, the students in the classroom lack consistency on that day because multiple teachers are filling in for the absent teacher. Another option is that school counselors, principals, reading and math specialists, intervention specialists, or gifted intervention specialists will serve for some or all of the day as the substitute. When this happens, those individuals are pulled from their normal responsibilities, and in the case of the reading and math specialists, intervention specialists, and gifted intervention specialists, it results in students who would normally be receiving additional small group intervention or enrichment instruction to miss out on that service for that particular day. Lastly, another option is to combine classes by adding the students without a substitute teacher to another teacher’s class or by dividing the students who do not have a teacher into two or more groups and combining each of those groups of students with other teachers’ students. When this last option is used, the receiving classrooms increase in size significantly and maybe even double in size, which certainly is not optimal for teaching and learning.

So back to the 3.8 classes per day without a substitute teacher. If we estimate a student day to be seven hours, over the course of the 170 days students were in school during the 2021-22 school year, our district had 4,495 hours that students were without a substitute teacher. Imagine the impact that had on teaching and learning! WE NEED YOUR HELP! If you are someone who has a bachelor’s degree, then you are eligible to apply for and receive a substitute teaching license from the state of Ohio. If you are someone who had a teaching license, but it has expired, the state of Ohio will allow you now to apply for a reinstatement license that is good for one year, and during that year you can substitute teach, or even obtain a regular teaching position in your certification area. So, if you are someone who has a bachelor’s degree or an expired license and are available for only one day per week, five days per week, or any number of days per week, you can greatly help the North Canton City School District by becoming a substitute teacher. If you choose to

become a substitute teacher, you can choose to sub only in North Canton if you wish, only at certain grade levels if you wish, or only in certain buildings if you wish.

Substitute teaching will allow you to impact the lives of students, help increase the learning in our schools, and make some extra money. If you are interested in subbing or have questions about subbing, please call the North Canton City School District Office at 330-497-5600 or send an email to [subteaching@northcantonschools.org](mailto:subteaching@northcantonschools.org).

## Employment Opportunities

**Todd Henne**  
BUSINESS MANAGER

The North Canton Schools are currently posting openings for Educational Aides for the upcoming school year. These jobs range from approximately 3 hours per day to 6 hours per day. If you are interested in having a job that closely matches your children's schedule, now is the time to apply. More jobs will be added throughout the summer, so keep checking back. Once you complete your application and apply for a job, it is quick and easy to select new jobs to add your digital application. Just go to <https://northcantonschools.tedk12.com/hire/index.aspx>.

Jobs at 6 hours a day/30 hours a week allow the option to have health, dental and vision insurance. And if you're not quite ready to commit to a daily job, then we would love to have you fill out to be a Classified (non-teaching) substitute.

Job postings for other positions such as food service are expected to appear later this summer, and we are always looking for school bus drivers.

## Ohio Blended Collaborative Impactful

**Kim Nidy**  
TECHNOLOGY DIRECTOR

For the past six years, North Canton City Schools has participated in the Ohio Blended Collaborative (OBC), which is a year-long professional development experience designed to help participants grow in understanding, implementation, and lesson design to support blended, personalized learning practice. North Canton was one of the original districts involved in launching the collaborative that started with districts in Ohio that were using Schoology as a learning management platform. The idea was that we could easily collaborate between districts and build shareable content using this common technology tool. We engaged an organization called ConnectingEd to come on as coaches and the collaboration has grown every year since it began.

We have ten teachers signed up to participate next year with 120 other teachers from ten other school districts around Ohio. Since it began, over 550 Ohio teachers have participated.

There are three different options that include a year one and year two experience with a newly added coaching experience for those who have completed years one and two. Examples of session titles include:

- Why is Lesson and Unit Design So Important?
- How Do We Put Students in the Role of Knowledge Constructors?
- Students as Active Learners and Authentic Users

- How Do We Know Learning is Happening?
- How Do We Begin to Give Students Some Control Over Pace of Learning?

Some comments from teachers who have been involved in OBC:

- "Blended learning does not mean JUST technology. There are so many aspects to the framework that you might already do and not know it! I really enjoy the sessions. It has helped me to be a better creator for my new curriculum and have more meaningful learning opportunities for my students."
- "My units that I have applied what I have learned in this course are some of my best units. The students are engaged and successful in these units."
- "I really enjoyed my experience. I am a more effective teacher because of it. I have learned a lot and I have access to so many new resources!"

All the participants agree that the opportunity to collaborate with other teachers is the biggest benefit of their involvement in the OBC. They share ideas, give and receive feedback, and grow together toward providing deeper and more meaningful learning experiences for their students.

*"Technology will never replace great teachers, but in the hands of great teachers, it's transformational."*

—George Couros

## Papineau heads up Transportation Department

**Sharon Papineau**  
TRANSPORTATION SUPERVISOR

Sharon Papineau is the new Transportation Supervisor for North Canton City Schools. Papineau brings unique experiences to the position, having served as an Ohio State Highway Patrol Trooper and a police officer since 1998. In addition to carrying out the usual responsibilities of traffic

and criminal laws, she also conducted inspections of Ohio school buses to ensure compliance with all federal and state rules and regulations. In addition, she worked closely with personnel at school districts and private busing companies to ensure safety compliance.

Papineau has also held a position as a Major with the Army National Guard from 1992 to 2010. A 1987 graduate of Bowling Green State University, she is a licensed social worker.

## Hall of Distinction for 2022

The North Canton Alumni Association announces its inductees into the Hall of Distinction for 2022. This year's inductees include

**Martha (Strauch) Bell**, Class of 1985 – a proponent of the arts in Mount Vernon and Knox County Ohio.

**Logan Family Foundation** – a local charitable foundation that "pays it forward" to the Ashland, Columbus, Upper Arlington, and North Canton areas.

**Bina Mehta, MD**, Class of 1987 – well-known in the field of pain management in northeast Ohio.

**Kyle Putinski**, Class of 2003 – very active in the area non-profit sector, currently executive director of the local Big Brothers/Big Sisters organization.

**Handy Wolf**, No-Ca-Hi Class of 1942 – a leader in public education for the Plain Local school district; WWII vet with Bronze Star and Purple Heart.

The Alumni Association will have an in-person induction ceremony Wednesday, September 28, 2022, at 7:00 p.m. at Hoover High School. This year's ceremony will be different from past years. We will begin the ceremony at 7:00 p.m., honoring our Class of 2022 inductees. We will serve light refreshments after the ceremony, and it will be open to all. There will be no charge for attending, although we will be accepting donations.

## 2022-2023 Meal Prices and Free / Reduced Price Meal Application

**Jill Lauter**  
FOOD SERVICE DIRECTOR

### Application for Free and Reduced Meals

We encourage you to complete the Free and Reduced-Price Meal Application form. The United States Department of Agriculture has not extended the meal waivers that were enacted to allow schools to provide delicious, nutritious meals for our students and the children in our community at no charge to families during the pandemic. As we transition back to full-pay school meals for the 2022-2023 school year, **it's vitally important to us that all eligible students receive the help they need to continue to be well nourished and ready for learning every day.** To determine if your students are eligible for free or reduced-price meals, you are required to fill out the application, which is available at this link: <https://payschoolscentral.com>. Paper applications can be picked up at the district office starting July 1st.

\*Please note that the Free and Reduced-Price Meal application must be completed every school year starting in July and you can reapply as often as needed throughout the year if household income amounts change.

It's more than just a meal application! Did you know that if your family qualifies for free meals that you may also have your school fees waived? In addition, every qualifying student generates state and federal government funds which will benefit all our students and schools?

For more information about family income guidelines, tutorials, and other frequently asked questions, please visit the NCCS Food Service website by going to <https://www.northcantonschools.org/FoodService> or contact Jill Lauter, Food Service Director, with any questions at:

Jill Lauter  
[jill.lauter@northcantonschools.org](mailto:jill.lauter@northcantonschools.org)  
330-497-5600 ext. 1234

\*Reminder - Applications for the upcoming 2022-2023 school year must be submitted July 1, 2022, or after. Any application received before will expire on June 30, 2022.

Meal Prices for students not eligible for free or reduced-price meals:

2022-2023 School Meal Prices		
GRADE LEVEL	LUNCH	BREAKFAST
Kindergarten - Grade 2	\$2.75	\$1.75
Grades 3 - 5	\$3.00	\$1.75
Middle School (6 - 8)	\$3.25	\$2.00
High School (9 - 12)	\$3.50	\$2.25

## Meet your Lunch Ladies

We conclude our series on the NCCS lunch ladies with these incredible women who work at the North Canton Middle School and Hoover High School.

**North Canton Middle School**

**Debbie Black** enjoys spending time with her dog, Miss Bella, and working out with friends.

**Julie Fonte** enjoys gardening and walks in the woods. She also sincerely enjoys the ladies she works with at the middle school- a great group of women!

**Julianna Fano** enjoys spending time with the new granddaughter, Grace, and family.

**Cheryl Furbee** spent almost 10 years at the high school before moving to the middle school. She loves to travel with her husband and 14-year-old daughter, and they love to find quaint out of the way places to explore. Cheryl said, "We have the best cat named Becky."

**Cameron Autrey** enjoys reading and spending time with her husband and two daughters.

**Stephanie Blair** enjoys spending time with her husband and four kids. They enjoy going to their kids' sporting events and vacationing.

**Stephanie Toth** enjoys crafting, baking, and spending time with her husband and their five kids.

**Hoover High School**

*(The high school lunch ladies have a combined total 122 years of serving meals to students. That's lots of turkey gravy!)*

**Lisa Shaw** is a dog lover and enjoys boating with her family.

**Barb Satow** enjoys her family, especially her three grandsons.

**Kellee Anderson** enjoys spending time with her six grandchildren and camping.

**Kathy Cunningham** enjoys watching her grandchildren participate in sports. By the way, Kathy makes the most delicious brownies.

**Aileen Benko** enjoys playing golf and spending time with family, especially her grandchildren.

**Cathy Berkshire** is one of 13 siblings, which is a baker's dozen. Ironically, she is married to a baker.

**Lori Moss** enjoys working out with her husband every morning.

**Anna Cociolone** has two daughters that go to North Canton schools, and she drives bus in addition to working in the kitchen.

**Ashley Meeks** enjoys her hobbies of shopping and crafting.

**Jennifer Maierhofer** has three children that are very active in sports. She enjoys watching them play.

**Casandra Schlabach** always has a smile on her face. She loves baking and shopping.

**Jamie Hill** is a Black Belt in Hapkido. She also has twin girls.

**Kim Dinsio** can be found at the North Canton Goodwill, thrifting. She loves animals.

North Canton City Schools Food Service Department is offering

### Free Summer Meals

for all children and teens, ages 18 and under

Monday through Friday

June 1<sup>st</sup> through August 11<sup>th</sup> (no meals July 4<sup>th</sup>)

Location: North Canton Middle School

605 Fair Oaks SW

North Canton, Ohio 44720

enter at door #10 in the rear parking lot and follow the signs

#### Breakfast

7:30 a.m.-9:30 a.m.

#### Lunch

10:30 a.m.-12:30 p.m.

Kids must be present to receive meals and all meals will be eaten at the middle school.

**Nutritious and delicious summer meals helps children to maintain a healthy diet and helps their families to stretch their food dollars during the summer months.**

Because children and teens will be receiving their meals and eating at the middle school we're offering the kids' favorite school meals that include daily hot entrees like walking taco, Bosco sticks, homemade pizza, cheeseburger, chicken tenders as well as sub sandwiches & fresh fruits and vegetables.

You can find the menus on our website, Facebook or the MySchool Menus app!

## What do I do if my Chromebook has problems this summer?

Students in current grades 3-11 will keep their Chromebooks over the summer again this year. Remember to keep them in their cases in order to protect them from damage. If you have a problem, you can go to <https://www.northcantonschools.org/One-to-OneInitiative.aspx> and scroll down to the section titled "Summer Chromebook Care Instructions." There you will find a link to a troubleshooting guide and information if you need to return it for repair.

# Construction Update

2021 - 2022	September 2021 - April 2022		Early Site Work
	April - June 2022		Foundations
	May - July 2022		Masonry Bearing / Fire Walls
	June - July 2022		Underground Utilities / Building Slabs
	July - September 2022		Interior Non-Bearing Masonry Walls
	August - October 2022		Structural Steel Construction
	September - December 2022		Exterior Walls, Windows and Roofing
	November 2022 - January 2023		Brick Veneer
	November 2022 - February 2023		Interior Stud Walls and Rough-Ins
	January - April 2023		Drywall
2023	February - June 2023		Interior Trim, Painting and Ceilings
	April - July 2023		Interior Finishes
	May - July 2023		Site Development (grading, sidewalks, paving)
	June - July 2023		Punch List, Furniture and Cleaning
	August 2023		Substantial Completion / Occupancy
	June - November 2023		Demolition of Vacated Schools
	November 2023		Final Site Work Complete

*Grand Opening for the 2023-2024 School Year*

Intermediate School Progress. Photos courtesy of Justin Deierling.

Since celebrating the groundbreakings last September, construction crews have mobilized and commenced work on both project sites. The new Intermediate School (Clearmount Site) for third through fifth graders and the new Primary School (Charlotte Site) for preschool through second grade are making progress towards a grand opening in 2023.

This past spring, construction crews completed work on the early site preparations for both schools. This involved site demolition including clearing of all topsoil with preliminary grading, placing storm water controls to maintain proper drainage, installing temporary construction haul roads, and installing the bulk of the underground site utilities. Contractors also graded and stabilized the soil where the building footprints are evolving with the current placement of foundations and masonry bearing walls.

Work over the coming months will focus on completion of the foundation systems, masonry bearing walls, and building underground utilities. Some of the first areas you will see come out of the ground include the gymnasiums, fire separation walls, and elevator shafts. Construction is progressing as scheduled to have all masonry bearing walls and 1st floor concrete slabs in place by the time steel is delivered towards the end of the summer marking the next major phase of construction.

All construction is currently on schedule and on budget. We look forward to welcoming you to our new schools for the 2023-24 school year.

# Viking Spotlight a Weekly Podcast

Communication is an important part of the mission of North Canton City Schools, and this year we have begun a weekly podcast, highlighting the people, projects, and events of our school district. Our podcast is available on Google Podcasts and Spotify, and we also share the podcast on the NCCS YouTube channel with photos. Superintendent Jeff Wendorf interviews people in the school district, as well as the community. Learn about the Chamber of Commerce, the opening of the new inclusive Dogwood Park, sports, speech and debate, graduation and more. This year's State of the Schools is also shared in two parts through individuals who oversee important aspects of the school district. Go to <https://www.northcantonschools.org/VikingSpotlightPodcasts> to learn more about our school district and community.

Accompanying photo shows the ribbon-cutting at Dogwood Park.

# Tricycle for Miah

With the help of the NCCS CARE Team, Cain Toyota, and other donations from the community, Hoover High School sophomore, **Miah McClure**, got her own set of wheels! The sunshine was bright, but not as bright as Miah's happy face when she saw her new adaptive tricycle.

# Kindergarten Registration

We're very excited to have you and your family join the North Canton City School District! We look forward to working together to provide the best education to meet your child's needs. At NCCS, we are family, and we welcome you as a part of our family. Welcome, Little Vikings!

If your child will be five years old on or before August 1, 2022, and you reside in the North Canton City School District, your child can be enrolled in kindergarten. If your child is currently enrolled in the Mary L. Evans Early Childhood Center, you do not need to complete the enrollment process.

Go to <https://www.northcantonschools.org/Registration1.aspx> to begin the process of enrolling your child.

## Meet the NCCS Educator and Rookie of the Year

Mia Thomas is the 2022 NCCS Educator of the Year. Mrs. Thomas has taught 37 years, with 14 of those years in Plain Local Schools and 23 in North Canton. She coached volleyball for both GlenOak and Hoover for 31 years. Now that she is retired from coaching, she enjoys traveling with her husband, Fred, to watch their daughter, Mollie, playing volleyball for the University of Mount Union and their son, Ben, coach football and baseball for Sandy Valley High School. Mrs. Thomas also enjoys attending the activities of her students in her free time.

For an opportunity to hear directly from Mrs. Mia Thomas, please listen to our *Viking Spotlight* podcast by going to our website at: <https://www.northcantonschools.org/VikingSpotlightPodcasts>.

Olivia Hauritz is the 2022 NCCS Rookie of the Year. She has taught for one year at Orchard Hill Intermediate School. When she's not teaching, Olivia enjoys spending time with her family and two puppies, being active, and reading.

We asked Miss Hauritz, "What has been your most memorable moment in teaching thus far?"

"My most memorable teaching moment is hard to pin down to one specific moment. For me, my favorite teaching moments take place in the classroom when the 'light bulb' effect occurs. When working with my students in the intervention setting, my favorite memories reflect the confidence my students receive when they accomplish a new task or standard. Hearing my students' pride as they shout, 'Miss Hauritz I did it!' or 'I am so proud of myself!' is the most rewarding and cherished part of my job as a teacher. Through my students' wide smiles and confident strides, I am able to witness their personal growth and success. Being able to witness such an impactful moment for my students is by far the most rewarding and memorable experience for me as their intervention specialist."

## Youth in Action Grants

Bella Smith, Grade 7 NCMS is generating flyers to promote a canned food drive and other nonperishable items throughout various community events to donate to Refuge of Hope.

Simon McMichael, Grade 7 NCMS is purchasing board games relevant to teens and middle school students to put into circulation within The North Canton Public Library for community members to check-out.

Character Counts North Canton is pleased to announce the recipients of our spring submissions for our Youth In Action Grants. Youth in Action Grants are available for all students who attend North Canton City Schools to receive monetary funding for a project that benefits the community.

Congratulations to our two Youth in Action recipients for their thoughtfulness and leadership within our community. Character Counts NC will begin accepting new grant applications upon our return to school in the fall.

Building News

Annual VIKE-a-thon at Clearmount

On May 13, Clearmount Elementary held their VIKE-a-thon to raise awareness for personal healthy habits and money for the PTO. Students completed stations that included a healthy snack and story, yoga, dance party and a walk/run in the front of the building. We are so thankful for the many parent volunteers, cheering fans, and Victor Viking donating their time to make this a successful event. In total, we raised \$12,865.90 that will cover the eSpark learning platform that is used in our building and then help support our yearly activities that include assemblies, teacher supplies, family events, and classroom parties. There were many prizes earned including a raffle to win a Chick-Fil-A lunch, pizza party, breakfast with Officer Taylor and Chief Kemp of the NCPD and two students earning Principal for a Day! We look forward to providing our students, staff and families with special activities that enhance their learning that happens every day in our classrooms.

Martha Holden Jennings Finalists

NCMS is honored to acknowledge the staff listed above as they have been recognized by the Martha Holden Jennings Foundation for their efforts in the classroom. This year approximately 100 Ohio educators were nominated by their principals and superintendents to honor and acknowledge their efforts to ensure students learn deeply and thrive. A committee consisting of Ohio public school educators evaluated all applications to determine finalists for each award category. The Martha Holden Jennings Foundation supports the highest quality teaching by providing grants for projects and initiatives that foster deep learning and excellent teaching for students in Ohio.

L to R: Ava Rocco, Paige Goss, Elaina Norris, Marianthi Halkias, Katerina Gilbert, Allie Hartnett, Lena Semertsidis and Ariana Tsenekos.

Daughters of Penelope

Daughters of Penelope (Canton Chapter) is an affiliate organization of the American Hellenic Educational Progressive Association (AHEPA). North Canton High School hosted the 54th Annual Debutante Ball in which eight girls of Greek descent were presented on Saturday April 30, 2022. The event was held at the Alex D. Krassas Event Center in Canton Ohio.

This outstanding group of Stark County Greek descent girls were presented to the community by their parents or guardians, and escorted by a gentleman of their choosing. The elaborate presentation ceremony culminated with a traditional Greek dance, the Kalamatano. The remainder of the evening was filled with dancing and merriment.

The essence of why the ball is held every year is to honor the girls and their ability to adhere to the Daughters' mission.

Paige Goss of Hoover High School was involved in the event and was presented by her parents Jeff Goss and Diana Shimko. Her escort was Andrew Roach.

To promote the ancient Greek ideals of Education, Philanthropy, Civic Responsibility, and Family and Individual Excellence through community service and volunteerism.

# CONGRATULATIONS 2022 GRADUATES!

## Hoover High School Commencement Continued from page 1

On the court, Angela has earned the respect of her teammates and opponents alike. She was selected team captain, First Team for District Four; Second Team All-Federal League, and she earned Honorable Mention by the Northeast Inland District for basketball this year.

Angela will be attending Mount Vernon Nazarene University in the fall, where she will continue her basketball career on an athletic scholarship and study exercise science.

Angela is the daughter of Mary and Timothy Roshak.

*"So, friends, I leave you with this. When life hits you hard, and you're feeling sore, beaten down, and broken, choose to persevere and rise up. We were made for greatness, not comfort."*

—Angela Roshak

**Siena Pilati**, representing excellence in academics, has an impressive academic and athletic resume. She has earned three academic letters and nine varsity letters, has completed eight Advanced Placement classes, and has accumulated over 25 college credits at Hoover.

She is the president of National Honor Society and a three-year state qualifier in Speech and Debate. She is also an Advanced Placement Scholar with Distinction and a four-year tennis athlete. This year, Sienna was the host of "In the Spotlight" on NCtv, and she received Superior and Excellent Rankings for her entries to the Ohio Scholastic Media Association Competition. Throughout high school, Sienna has found time to volunteer, work part time and maintain her impressive 4.472 grade point average.

She will pursue a degree in public policy at the University of Kentucky this fall.

Siena is the daughter of Diane and David Pilati.

*"So, as we graduate and each play our own game of life, I urge you to make decisions that fill you with joy and support your passions, and don't worry if others think those are correct or not. Navigate your path with confidence, compassion, and an open mind, because you never know where the game of life may lead you."* —Siena Pilati

Congratulations to the children who graduated from the Mary L. Evans Early Childhood Center!

- ▲ Summa – 4.325 and higher GPA  
 ■ Magna – 4.0 to 4.324 GPA  
 ♦ Cum Laude – 3.75 to 3.99 GPA  
 + President's Award – recipients have earned a 3.5 grade point average and qualifying ACT or SAT scores  
 \* National Honor Society – denotes those students who have been inducted into the National Honor Society. Gold-tone medallions represent National Honor Society Membership with Distinction.  
 Diploma with Honors – recipients have met the criteria set by the State Board of Education. These students are wearing gold tassels and names are in bold.  
 □ Seal of Biliiteracy - denotes students have met the criteria set by the Ohio Department of Education.  
 - Foreign Exchange Student  
 Quill and Scroll International Journalism Honorary these students are wearing blue and gold cords  
 National Forensic League – these students are wearing gray and red cords  
 Educators Rising – these students are wearing red and black cords  
 PLTW Biomedical – these students are wearing red  
 PLTW Engineering – these students are wearing royal blue cords

## Instrumental Music Awards

Congratulations to the students who were recently honored at the Hoover Instrumental Music Association program.

- Graduating Senior Drum Major - **Madison Allman**
- Graduating Color Guard Members - **Sammy Kocher, Caroline Merritt, and Shelby Snyder**
- 2021-2022 - Most Valuable Color Guard Member - **Caroline Merritt**
- 2021-2022 - Outstanding Freshman Color Guard Member - **Macie Shaheen**
- 2021-2022 - Most Improved Color Guard Member - **Anna Sikora**
- Most Improved Concert Band Section - **Trumpets**
- Louis Armstrong Award for Jazz - **Robby Smart**
- 110% Ultimate Effort Freshman Band Award - **Lillian Deibel and Tyler Fry**
- Hoover Instrumental Music Scholarships (\$400 each)  
**Ethan Dayton**  
**Drew Eynon**  
**Tyler Ruhe**  
**Julia Sherwood**  
**Robby Smart**
- National School Orchestra Award - **Grace Humbert**
- Patrick S. Gilmore Band Award - **Madison Allman**
- John Philip Sousa Band Award - **Drew Eynon**

## 2022 - 2023 HS Early Schedule Pickup Dates

Please save the date for early schedule pickup, which also includes taking the school photo for the student ID and other items. Further details will be provided in late July.

- Grades 11 and 12:  
August 2 from 9 a.m. to 1 p.m.
- Grades 9 and 10:  
August 4 from 9 a.m. to 1 p.m.
- Makeup for all grades:  
August 11 from 10 a.m. to 1 p.m.

Third grade field trip.

## Orchard Hill finished strong

Orchard Hill finished strong as we closed the 2022-23 school year. We are very proud of our students for their hard work and dedication to their learning this year. The month of May was very special because it included many gatherings and celebrations that were not possible during the previous two years. We certainly attempted to make up for lost opportunities!

### Our celebrations included:

- PTO "Favorite Guy" and "Favorite Gal" Events
- Teacher Appreciation Week
- Spring Book Fair
- Exceptional Olympics
- Second Grade Welcome Visit
- Third Grade Field Trip to Hoover Historical Center
- Fifth Grade Field Trip to Get Fit Camp at HOF
- Spring Sing
- Band, Choir, and Orchestra Concerts
- Visit from Mayor Wilder and Councilman McCleaster
- Star Lab Encounter for Fifth Grade
- SpaceX Engineer Virtual Visit
- Galaxy Play ~ Hamlet
- Girls on the Run 5K
- Third Grade/High School Pen Pal Visit
- Field Day
- Garden Club Open House
- Fifth Grade Graduation and Party
- Talent Show

Visit with Mayor Wilder and fire dept.

## Hoover Academic Challenge

Hoover's Academic Challenge team of Drew Eynon, Robby Smart, and Caroline Triner competed on April 2, 2022, against Valley Forge High School and Green High School. Valley Forge won the match with 470 points while Hoover took second with 445 points. Andrew Arnold is the Academic Challenge advisor at Hoover.

Gerald Hissem Goodyear Airship

Kevin Rice

Natalie Shingler Park Ranger

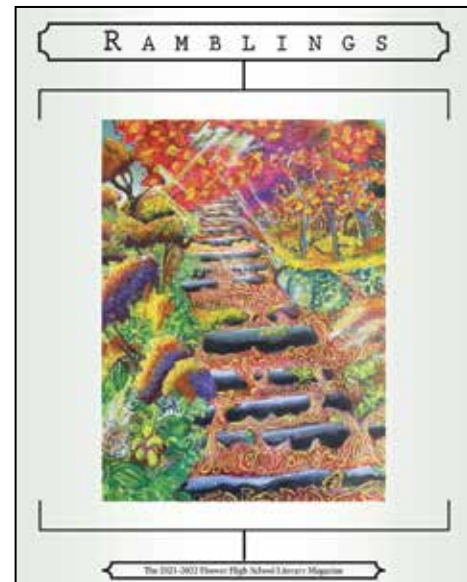

Ryan Vanderhorst

OSU vet student

## Career Day

On May 12, seventh-graders at North Canton Middle School listened to a variety of speakers who shared different information about their companies, their jobs, and the education or skills needed for success in that career. Twenty-three speakers were on hand to talk to the students about careers that included a chef, personal trainer, landscape architect, park ranger, and zoologist.

### Annual HHS Literary Magazine

The annual HHS Literary Magazine, *Ramblings*, is now complete and ready for view! Congratulations to the many students who earned publication, and a special shout-out to the winning artists and writers: The Red Path (cover art) by Cameron Wright, *Combustion* (best artwork) by Sarah Weitzel, and “Life’s Symphony” (best poem) by Sophia Hillyer. The magazine is available on the Hoover High School website at <https://www.northcantonschools.org/LiteraryMagazine>.

## Greentown students celebrate the end of school

Greentown Intermediate students had a fun May, and the students’ smiles at the annual field day reflected their appreciation of the school year.

## Hoover High School receives National Recognition for Commitment to Empowering Students

### Named a distinguished school for STEM and career learning program

Hoover High School has been recognized as a 2021-22 Project Lead The Way (PLTW) Distinguished School. It is one of just 191 high schools across the U.S. to receive this honor for providing broad access to transformative learning experiences for students through PLTW Biomedical Science and Engineering. Hoover is the ONLY high school in Ohio to win this award all five years that it has been in existence. PLTW is a nonprofit organization that serves millions of PreK-12 students and teachers in over 12,200 schools across the U.S.

The PLTW Distinguished School recognition honors schools committed to increasing student access, engagement, and achievement in their

PLTW programs. To be eligible for the designation, Hoover High School had to meet the following criteria in the 2020-21 school year:

- Had 25 percent of students or more participate in PLTW High School courses, or of those who participated during the 2020-21 school year, at least 33 percent took two or more PLTW courses during their tenure at the school;
- Offer and had students enrolled in at least three PLTW High School courses;
- Had strategies and procedures in place that support reasonably proportional representation with regard to race, ethnicity, poverty, gender, and can

support such claims with relevant data.

“We are honored to recognize Hoover High School for their unwavering commitment to provide students with an excellent educational experience despite the last two years having been some of the most challenging in recent history for students and educators across the U.S. due to the COVID-19 pandemic,” said Dr. David Dimmett, Interim President and CEO of PLTW. “Hoover High School should be very proud of their achievements in unlocking their students’ potential and equipping them with the knowledge and skills necessary to thrive in life beyond the classroom no matter what career path they choose.”

Hoover High School is part of a community of PreK-12 schools, colleges and universities, and corporate and philanthropic partners across the country united around a passion for providing students with inspiring, engaging, and empowering learning opportunities. For more information about PLTW’s recognition program, visit [pltw.org/our-programs/program-recognition](http://pltw.org/our-programs/program-recognition).

For more information on Hoover’s [PLTW Biomedical Science and Engineering] program, please contact Associate Principal Robert White at 330-497-5620 Ext. 1195.

## Hoover Speech and Debate has record-setting year

This year Hoover had 28 students who qualified for the state speech and debate tournament at Wooster High School in March, which tied the highest number Hoover has ever qualified. Hoover's speech and debate team is coached by Missy Stertzbach.

Coach Missy Stertzbach

**State Qualifiers** Bobby Baker, Mady Beckel, Drew Berkshire, Emma Curd, Lilly Dria, Sabrina Estevez, Kyle Fitzpatrick, Will Floyd, Zach Fuller, Ezra Grand, Campbell Hollis, Anna Kuntz, Sean Lowry, Thomas Maxwell, Molly Mead, Gabby Michalides, Joelle Morgan, Liv Pedone, Matilda Pablo, Lia Pendergrass, Siena Pilati, Niko Pitinii, Taylin Ruhe, Cade VanNatta, Kosta Volas, Ava Wadley, and Seyera Wanigarthne.

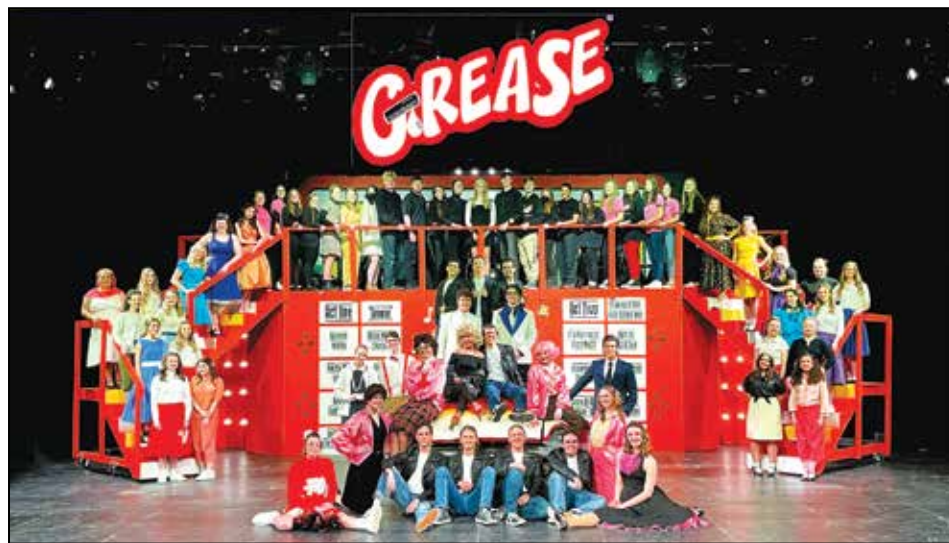

**Alternates** Robbie Newman, Brooklyn Griffiths, Alec Pilati, AnnaSophia Bates, Joce Walbeck, Lea Schroeter, and Jane Weisburn.

L to R: Cade VanNatta, Mady Beckel, Ava Wadley

Hoover had an amazing tournament, placing 5th out of 80 teams. **Ava Wadley** became the 2022 OSDA State Champion in Dramatic Interpretation. **Mady Beckel** placed 3rd in International Extemp and **Cade VanNatta** placed 5th in Dramatic Interpretation.

The National Speech and Debate tournament is being held in Louisville, Kentucky, June 12-17. Hoover High School's national qualifiers are **Mady Beckel** in International Extemp, **Drew Berkshire** in Dramatic Interpretation, **Emma Curd** in Congressional Debate, **Sabrina Estevez** in Congressional Debate, **Kyle FitzPatrick** in Duo Interpretation, **Sean Lowry** in Lincoln Douglas Debate, **Joelle Morgan** in Duo Interpretation, **Cade VanNatta** in Program Oral Interpretation, and **Ava Wadley** in Dramatic Interpretation.

## Hoover High School dazzles in Grease

Hoover High School presented Grease this spring to rave reviews. Congratulations to the students, staff, and volunteers who made the musical possible.

### Hoover ASL Club provides service to the community

Deaf individuals from the local community bought tickets to Grease, and Hoover American Sign Language Club (ASL Club) provided a free dinner prior to the show on April 2. The dinner gave the deaf guests a chance to socialize together and with our ASL students.

Interpreters for the show were Hoover ASL instructor Vicki Mooney and Brianna Roth, who is a former Hoover student, majoring in ASL interpreting at National Technical Institute of the Deaf in Rochester, New York.

ASL I, II and Honor's III students interpreted all the songs. Student interpreters were Nicole Wirick, Hunter Powell, Natalie Kiraly, Amaya Pablo, Owen Capozzi, Maddie James, Kendra Seidel, Courtney Taylor, Pacey Wood, Kennedy Gillogly, and Braelyn Crockett.

It was a special night especially watching the ASL students sign songs. An ASL teacher from another school district was there and raved about them. She was very impressed with their signing skills.

## Northwood has busy spring

Northwood Elementary School had many exciting programs to end the school year, including a walk-a-thon and an assembly with STOMP and Cleveland Cavaliers performer, Elec Simon. Northwood students and staff gathered one morning to have a special send-off for the students participating in the Exceptional Olympics! Finally, we also were happy to share the principal's seat with Mr. Johnathon Blake one spring day.

## Infiniti

Infiniti of Akron and Orchard Hill Intermediate School joined forces during Easter week for a “Be a Good Egg” campaign. Infiniti of Akron provided each student in the school with a plastic Easter egg that contained a random act of kindness the child can choose to perform.

The acts of kindness varied from writing a thank you note to a teacher, drawing a picture to brighten someone’s day, recycling something, or offering to help with an extra chore at home.

If the students completed their kindness mission, they wrote their names on the back of their random act of kindness slip and give it back to their teacher. They were then entered into a drawing to win a prize (one for each classroom).

This program was kicked off on April 5, and ended on April 14, by the end of the day. Infiniti of Akron is a proud supporter of Orchard Hill Intermediate School.

## Inaugural NJHS Induction Ceremony

The inaugural class of National Junior Honor Society was inducted on May 16 at Hoover High School. These seventh-grade students are not only at the top of their class academically as they also represent the four pillars of service, leadership, scholarship, and character. We are looking forward to leadership in eighth grade to enhance and improve our school community.

Thank you to our NJHS advisors, Mr. Sowers and Mrs. Ile, as well as the immense guidance from Hoover High School’s NHS advisor, Miss Medley. We are grateful that five of the current NHS members at Hoover High School assisted with the ceremony - Ava Wadley, Tess Rossler, Sabrina Estevez, Rylee Whitt, and Kosta Volas.

L to R - Front Row: Sammy Kocher, Katie McMullin, Lilly Altman, Raeli Blandine, Bailey Rinke; Back Row: Micah Roth, Gracie Ford, Jack Baxter, Robby Smart, and Nick Pepper.

## Hoover High School Prom Court

Congratulations to Hoover High School's 2022 Prom Court and Queen Lilly Altman and King Jack Baxter.

## Senior Citizens Prom a great success

The annual Senior Citizens Prom, which was sponsored by the Hoover High School Leadership/Interact Club, was held Saturday, April 30, in the high school commons. Senior guests and Hoover students enjoyed snacks, dancing, and games. Advisors to Interact are Sarah Jackson and Janice McCarthy. In case you missed the Viking Spotlight interview about the Senior Citizens prom, you can still watch the podcast on YouTube at <https://www.youtube.com/user/northcantonschools/videos>.

## Hoover Yearbook Info

**Underclassmen** will receive their yearbook at **early schedule pick up** on August 2, 4, and 11.

**Graduates** will pick up their yearbooks on **August 3 and 4, 5-7:00 p.m.** right inside door #1. They may also pick up their order during any of the early schedule pickup times. To have a sibling pick up an order, please contact Candice Greene at [Candice.greene@northcantonschools.org](mailto:Candice.greene@northcantonschools.org) ahead of time so that she can have their orders grouped together.

As the email listserves are reset in June, you will NOT receive email reminders of these dates in August

unless you have an underclassmen student. Graduates should pay close attention to our Facebook page for reminders/updates regarding the distribution of yearbooks. Thank you for your understanding.

### FAQs:

**I never got my order from last year, what do I do?**

We still have them! You may pick these up with the 21/22 yearbooks. Please let me know ahead of time so I can have the books together!

Thank you so much for a great year. We can't wait to get your yearbooks full of the ENTIRE year's events to you this August!

## Junior Achievement

Hoover's Junior Achievement companies, Brain Wave and Innovistics, have been selected as two of the top 15 finalists across the U.S. to compete in Washington, D.C., this month for Junior Achievement's National Student Leadership Summit! Brain Wave has a cognitive activity book and Innovistics offers a speech improvement game. We wish both teams the best of luck!

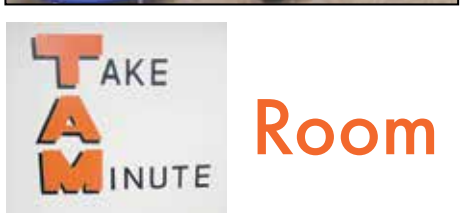

## NORTH CANTON PUBLIC LIBRARY PRESENTS STORYWALK® AT DOGWOOD PARK

Visit the library's new StoryWalk® at Dogwood Park!

StoryWalk® is a fun and innovative way for people of all ages to enjoy a book. As you travel the path from the picnic pavilion to the Possibility Playground, you will come to sign posts containing pages of a picture book. By the time you reach the playground, you will have read the book in its entirety.

Featured books will change monthly in our StoryWalk® so be sure to visit often. Don't forget to share your StoryWalk® experience on social media using the hashtag #ncplstorywalk

A "Take A Minute (TAM) Room" is a new room created at North Canton Middle School through a grant that was awarded from the GPD Employee's Foundation. The room was created for our students and staff. The vision is to provide a space for students and staff to take a break within their day. This space will provide time for students to receive some Social and/or Emotional Support if needed.

Research demonstrates that students who receive support for social and emotional learning in schools do better academically, socially and behaviorally. Students and teachers can use this room to relax, read, color, draw, play with sand therapy or draw on the giant chalkboard. The TAM Room is a quiet, relaxing space for all to use. Within the TAM Room, we encourage staff and students to use the room for exercise and wellness. There is a yoga corner, exercise balls, exercise weights, two exercise bikes as well as a treadmill. Students can go to the room under the supervision of a school counselor, teacher, or another staff member. Our hope is that the TAM Room will help to develop Social and Emotional Skills in our students so we can further meet the needs of the whole child.

## Fall Sports Reminders

All fall sports tryouts for the 2022-2023 school year officially begin Monday, August 1. Please continue to check our website, social media sites (Facebook and Twitter), and Schoology for information during the summer months. You can also contact our fall coaches via email:

- Boys Cross Country ..... Nick Stroemple  
nick.stroemple@northcantonschools.org
- Girls Cross Country ..... David Neitzelt  
david.neitzelt@northcantonschools.org
- Football ..... Brian Baum  
brian.baum@northcantonschools.org
- Golf ..... Scott Snyder  
scott.snyder@northcantonschools.org
- Boys Soccer ..... Jonathan Zahn  
jonathan.zahn@northcantonschools.org
- Girls Soccer ..... Brian Girdlestone  
brian.girdlestone@northcantonschools.org
- Girls Tennis ..... Ryan Shaffer  
rshaffer4@gmail.com
- Volleyball ..... Kim Solosky  
kimberly.solosky@northcantonschools.org

## Physicals

All student-athletes MUST have a current, updated physical on file in the athletic office prior to fall sports tryouts on August 1. Student-athletes cannot participate in tryouts without this paperwork. OHSAA Physical Exam Form paperwork can be located at this link: [https://ohsaaweb.blob.core.windows.net/files/Sports-Medicine/2022-23PPE\(English\).pdf](https://ohsaaweb.blob.core.windows.net/files/Sports-Medicine/2022-23PPE(English).pdf).

Physicals can be turned into the Athletic Office through the summer at the following days/times:

- Every Tuesday in June and July from 9:00 AM - noon
- Every Thursday in June (except June 30) from 9:00 AM - noon

Please enter Hoover HS at door #1 and the Athletic Office will be on

your right-hand side as you enter the building. Please contact Tom Oakes (tom.oakes@northcantonschools.org) if you have any additional questions regarding physicals for student-athletes.

## Final Forms

All student-athletes MUST have Final Forms completed (both academic and athletic) in order to participate in tryouts beginning August 1. More information regarding Final Forms will be released in early July by school administration and the athletic office.

## Summer opportunities for Athletes

Our head coaches spend time throughout the summer months working with our high school student-athletes. Please contact the coach directly for any questions or concerns regarding their summer programs. Our coaching staff directory can be found using this link: <https://hoovervikings.com/staff-directory/>.

## Hoover Football Season Tickets

If you are a current season ticket holder, you will automatically receive an email on July 18th with instructions and a link to purchase your season tickets. You will have until August 3rd to purchase your tickets online or they will become open reserve seats to the public.

If you would like to purchase season tickets for the first time, visit [hoovervikings.com](http://hoovervikings.com) from August 6-14th and click the ticket button on the top right corner of the homepage. If this is your first time buying a ticket, you will need to create an account. Then you will be able to click on the button that says football season tickets, find the seats you would like, and purchase them.

For those who have any questions, please contact Mrs. Amy Taylor via phone at 330-497-5620 (X1168) or email her (amy.taylor@northcantonschools.org).

## Spring Sports Update

Tom Oakes  
ATHLETIC DIRECTOR

Hoover High School athletic teams enjoyed much postseason success in the month of May. The boys lacrosse team made it to the regional semifinals after going 12-2 through the regular season, and the girls lacrosse team secured an 11-3 season. The Vikings baseball team won a district title and reached the regional semifinal round as well, winning 14 of their final 17 games. The boys track and field team shared the Federal League title with GlenOak, earned a district runner-up title, and saw two individuals, Steve Arnold in the shot put and Blaze Fichter in the 1600 meters, become All-Ohio at the State Meet. Finally, the Lady Vikings softball program won the Federal League Championship and won both the district and regional championships. The team made their tenth appearance at the state semifinals, losing to the eventual state champions, Lakota West.

Overall, our spring student-athletes created some outstanding memories for themselves, their teammates and coaches, their families, and the North Canton community. Congratulations to all our spring student-athletes for representing Hoover well both on and off the field of competition.

**Join our team!**

**We need subs for all positions.**  
For information on employment, go to  
<https://www.northcantonschools.org/Employment.aspx>

Regional softball champs

# FALL SPORTS SCHEDULES
