

## ACCEPTANCE OF SCHOOL POLICIES

Welcome to the 2022-2023 school year. We want this to be an enjoyable and productive year.

The Northeastern Clinton Central School Parent/Student Handbook contains information about our school's policies and procedures that you and your child will need to be familiar with for a successful school year. In it, you will find information pertaining to:

- Your child's Middle School requirements
- School procedures
- School year daily time schedules for class periods
- Middle School behavior expectations

Because the information contained in the handbook is so important, we want to ensure that you and your child have read the handbook and that you assist your child in his/her understanding of the contents.

To acknowledge receipt of the handbook and the information contained in it, please review the statements below and return a signed copy of this page to your child's homeroom teacher. If you have any further questions about anything contained in this handbook, please contact Thomas Brandell, Middle School Principal, at (518) 298-8681 x3001.
