

November 4, 2020

Dear Parents/Guardians:

The Northeastern Clinton Central School District is informing parents and guardians that a student has been diagnosed with coronavirus (COVID-19). The district was notified by the Clinton County Health Department in the afternoon of Wednesday, November 4, 2020.

What we know:

- Grade 5 student attends Mooers Elementary.
- Student rides district transportation Bus #80.
- Presently, the student does not participate in any clubs or athletics.
- Parent was responsive reporting student not feeling well as of this morning, November 4, 2020. The student did not report to school and was evaluated by their health care provider.
- Students in Grade 5 and riding bus #80 are to stay home and will be quarantined. The Health Department will be contacting families tomorrow. Only the health department can conduct contact tracing. Families can also call the Clinton County Health Department at 518-565-4840.
- The district has provided the Clinton County Health Department with classroom rosters and bus lists for contact tracing purposes.
- All spaces the student occupied will be thoroughly disinfected.

Students in Grade 5 will participate in remote instruction and further information will be provided by Mooers Elementary. Please be patient as the district plans for instruction.

The spread of the virus continues to have an impact on our local communities. The Northeastern Clinton CSD will be gathering the school reopening team tomorrow to discuss potential closures should we receive additional cases in the next 24 hours.

Our campus buildings will remain open. Our district will continue to work closely with our local health department. Safety and security of our students is always our main goal. We also take pride in being transparent with our families while maintaining the confidentiality of those involved. The district sends best wishes for good health to our student and their family. We remain Cougar Strong!

Sincerely,
