Any students that have left critical items at school need to contact their main building office to be granted permission to schedule a time to come and get the items. Elementary teachers have emailed parents regarding instructional materials. Instruction for MS and HS students will be accessed online through Google Classroom. Students who do not remember their login information to access Google Classroom should contact the MS and HS offices for login assistance. In addition, all district buildings are not accepting visitors. For any further questions, please communicate with the main office of the school your child attends by email or telephone. This notice will be available on our website. Thank you and we appreciate your understanding.
