

Superintendent Announcement – 01/10/2021

The Northeastern Clinton Central School District is informing parents and guardians that an elementary student in the primary grades attending Rouses Point Elementary has been diagnosed with coronavirus (COVID-19). The district was recently notified by the Clinton County Health Department. The student rides district transportation bus #91.

Students in the affected classroom village and riding bus #91 are to stay home and will be quarantined. Those families impacted have already been notified by the school team. All spaces the student occupied will be thoroughly disinfected. Only the health department can conduct contact tracing. Families can also call the Clinton County Health Department at 518-565-4840.

We send best wishes to our student for good health. Our district will continue to work closely with our local health department. Safety and security of our students is always our main goal. We also take pride in being transparent with our families while maintaining the confidentiality of those involved. We remain Cougar Strong!

We remain Cougar Strong!!!
