

SUPERINTENDENT ANNOUNCEMENT- 1/6/2021

POSITIVE CASES

The district was notified on Monday, 1/4/2021, that a high school student was diagnosed with coronavirus (COVID-19). Early evening on Tuesday, 1/5/2021, an employee at Rouses Point Elementary also tested positive. As a result, nine (9) students in one of the intermediate classrooms are in quarantine. **Those families impacted have already been notified by the school team.**

We are also pleased to report that our two positive cases from our previous Superintendent Announcement (one high school student and one high school staff member) are doing well and scheduled to be released from isolation by the end of the week. Best wishes to our students and families in isolation or quarantine for good health.

Our district will continue working with the health department. Safety and security of our students is always our main goal. We also take pride in being transparent with our families while maintaining the confidentiality of those involved. We remain Cougar Strong!
