

Superintendent Update for Northeastern Clinton CSD (4-8-2020)

School Closure

Due to the Governor's Executive Order, effective 4-6-2020, all public schools will remain closed until April 29, 2020. The information mandated in any new Executive Order will supersede all previous notifications. Learning from home will continue during this period. The district will keep our community informed of further updates.

Assessments

The New York State Grades 3-8 Assessments and the June Regents Exams have been canceled for the 2109-2020 school year. Students **WILL** need to pass their Regents course for the year in order to receive credit and be exempt from the examination. Further guidance will be sent shortly from administration.

Grading

Further information regarding our procedures for grading will be sent out by the end of next week. Please make sure your child is completing assignments as requested. Remote learning still requires our students to take an active approach in the learning process so work can be evaluated.

UPK and Kindergarten Registration

All spring registrations will occur at a later date. Information regarding our procedures for registering your child and dates for required screenings are not known at this time. Please check our website after April 29th for updated information.

Special Events

Many planned school events are still in question as we learn more about school closures and CDC/ Health Department guidelines. At this point, our Junior Prom has been postponed to Saturday, June 13. We appreciate your patience and understanding knowing that we are doing our very best with the information we receive regarding mandated federal and state orders. There are many wonderful milestones in a child's K-12 journey, and we recognize the fact of how important it is to celebrate such special occasions, however the health and safety of our community is our number one priority.

Thank You!
