

Superintendent Updates for Northeastern Clinton CSD (5-8-20)

Student Belongings

Elementary

The district will be transporting personal belongings to elementary students at their homes on **Wednesday, May 20 between 9:15-11:45 AM**. Please make every effort to be at home during the scheduled times to receive the items. We will try to follow our morning bus routes.

Middle/High School

Students wishing to collect their personal belongings may call the Middle School at 298-8681 or the High School Office at 298-8638 to schedule an appointment. Students unable to pick up items will have their belongings delivered to their homes on **Wednesday, May 27 between the hours of 9:15-11:45 AM**. Please make every effort to be home during the scheduled times to receive the items.

Special Days/Events

Kindergarten Ceremony, Grade 8 “Moving Up”, and Senior Ceremony

We are committed to recognizing the important milestones our young people reach during their educational careers. In some capacity, we will continue to provide a recognition ceremony to celebrate the achievements of our students, however we must wait for further guidance from the Governor, local health department, Centers for Disease Control, and our regional CVES BOCES. We are in the preliminary phases of planning and further guidance and details will be provided on **Friday, May 29** by letter from our building level administrators. We’re so proud of our students and understand the importance of celebrating such special events. Because our top priority is the public health and safety of all involved, our recognition ceremonies WILL look different. However, we will still find a way to honor our students and their achievements!

Junior Prom and Camp Overlook

The district is also committed to preserving some of our long-standing traditions. We will be moving the scheduled 2019-2020 Junior Prom and the Camp Overlook Outdoor Education Project (Grade 6) to the 2020-2021 calendar year. Further details will be provided in the future.

UPK/Kindergarten Registration

Information will be sent from our elementary offices to families on **Monday, May 11** explaining our procedures for returning required information needed for registering students. Specific details regarding screening are still not known at this time. Screening will need to occur separately from registration at a later date.

End of Year

Monday, May 25 will be a day off from remote learning as it is Memorial Day. The district continues to wait for guidance from the Governor regarding our scheduled vacation day on **Friday, May 22** as well as our two snow days. We will provide further updates as we learn more.

We Remain Cougar Strong!!!

The district would like to extend many thanks to our families for your patience and understanding during this difficult time. As previously stated, we are doing our very best with the information we receive daily, however there are still many unknowns that remain. We are very appreciative of the kind words, creative artwork, and other small tokens of support we've received. The generosity and kindness in our community is unmatched. The district will continue working diligently in representing the great people of our district.
