

## GUIDANCE PROGRAMS REGULATION

Elementary and secondary guidance services shall include:

1. individual inventory service
2. the information service
3. the counseling service
4. the placement service
5. the evaluation service

A great deal of assistance provided by the counselors is directed towards preparing students for transfer from grade school to junior high school, from junior high school to senior high and from senior high to college or other post high school experiences. Orientation and communication with students, parents, schools and agencies to minimize difficulties in these periods of transition are important responsibilities of the school counselors.
