

**SMOKING REGULATION**

All school personnel are directed to report to the Building Principal the names, and dates and activities involving any student act of violation of the district' Smoking Policy. Students found to be involved in the use of tobacco and tobacco products on school property will face the following consequences:

1. 1<sup>st</sup> violation: 1 day in-school suspension (after-school detention (ASD)  
May be substituted an alternative;
2. 2<sup>nd</sup> violation: 3 days in-school suspension (after-school detention may  
be substituted as an alternative; and
3. 3<sup>rd</sup> violation: 5 days in-school suspension (after-school detention may  
Be substitute as an alternative)

Additional violations will result in a Superintendent of School's hearing where additional penalties on requirements may be imposed.
