

STUDENTS AND PERSONAL ELECTRONIC DEVICES

The Board of Education recognizes that there are personal electronic devices that have educational applications such as calculators, voice recorders, digital cameras and music listening devices. These devices shall be allowed to be used in classrooms only when they are included as part of a lesson under the direction of a teacher.

The Board acknowledges that cellular phones, pagers, and 2-way communication systems can be a positive means to facilitate communication; however, the display and/or use of such devices can cause disruption to the educational process.

Therefore, to prevent such disruption, the display and/or use by students of cellular phones, pagers, and 2-way communication systems and/or other electronic devices shall be prohibited from the time students arrive at school until the end of the regular school day. Such devices must be turned off and stored out of sight during this time period. The district is not responsible for stolen, lost or damaged personal electronic devices.

In emergency situations, exceptions to the prohibition of the use of cellular phones, pagers, and 2-way communication systems may be granted by teachers or administrators.

Misuse of any of these electronic devices will result in its confiscation until the end of the school day, as outlined in the code of conduct. Some uses of personal electronic devices constitute violation of the school district code of conduct and in some instances, the law. The school district will cooperate with law enforcement officials as appropriate.
