## Heartland Career Center

### Criminal Justice Instructor

Heartland Career Center is searching for a dynamic individual who is looking for an opportunity to positively affect high school students in the field of Criminal Justice and Public Safety.

### Expectations:

Teaching the principles of Criminal Justice focusing on the following concepts:

- Providing an understanding of the sources of American criminal law.
- Providing an understanding of the elements of the correctional system based on the concepts of punishment, rehabilitation and reform.
- Explaining the role and function of policing in a democratic society as it pertains to the Constitution.
- Providing an understanding of the various operations involved in police work including, but not limited to, line and support functions, crime control strategies, search and seizure, arrest and interrogation.
- Providing an understanding of the best practices in corrections and sentencing as it relates to the criminal justice system.
- Providing an understanding of the major purposes of corrections and how they influence correctional policies.
- Providing an understanding of the function of jails, prisons, community corrections, intermediate sanctions, probation and parole.
- Providing a possibility for students to earn the ILEA Jail Officer certification and the Emergency Telecommunicators certification.
- Provide employability skills that will prepare students for careers in the Criminal Justice industry.

### Qualifications:

- The ideal candidate will possess successful career experience in the Criminal Justice industry or a degree in a Criminal Justice field. The candidate must have verifiable occupational experience in a related field, which will permit the candidate to be licensed through the Indiana Department of Education.
- Ability to develop rapport and demonstrate professionalism with high school students, parents, staff and community.
- Demonstrate the ability to work in a collaborative environment of education professionals to create the best career ready skills for our students.
- Be willing to continually strive to build a skill set that meets the needs of our students, educational partners and potential employers.
