

# ATLAS

The North East School District is proud to launch the Atlas curriculum platform. Please go to the district website and select the gold Academics tab, select Curriculum, select the [ATLAS link](#).

## **HOW TO ACCESS ATLAS DOCUMENTS:**

1. Click on the All Curriculum / All Courses option seen at the top of the page, above the red banner.
2. Use the provided filters to narrow your search; locate a course and review the written Course Description.
3. View the Unit Calendar directly below for a summary of Learning Units in a yearly at-a-glance formatted display.
4. Explore the remainder of the course map for items such as Standards, Concepts, and Key Terminology, found within each constructed Unit of Learning.
5. Be sure to also check out additional resources as shared via the Resources link, located under the Communities tab.
