Dear Cleveland Street School Families,

The Orange School District is aware of a video currently circulating on social media that appears to involve a student-related matter at Cleveland Street Community School. Please be assured that this situation is being thoroughly reviewed in accordance with the Orange Public School District's policies and procedures.

The safety and well-being of each one of our students is our top priority. As a school community, we are committed to maintaining a positive and respectful learning environment, and we take these matters seriously. While we are limited in what we can share due to student privacy laws, I want to assure you that all student concerns are addressed promptly, respectfully, and in line with our district policies. As you know, transparency has always been a priority for the administration.

As always, should you have specific questions related to your child or the school environment, please reach out directly to reopeningofschools@orange.k12.nj.us for support.

We thank you for your continued partnership in fostering a safe and respectful school community.

In Partnership,

Gerald Fitzhugh, II, Ed.D.
