

STUDENT AIDES

1. No student shall serve as a student aide for more than 2 semesters during the two years from grades 7-8.
2. Students selected to serve as student aides must have a 2.0 grade point average.
3. Students selected to serve as peer tutors or classroom/laboratory assistants must have taken appropriate prerequisite classes and demonstrated special interest in the subject.
4. Teachers shall be limited to appointing 1 student aide per class. In certain classes where particularly close supervision of students is advisable for safety reasons, the Superintendent or designee may allow more than the designated number of student aides.
5. Student aides may receive a semester grade (A-F) only if semester goals and objectives which require application of specific subject knowledge are on file and have been approved by the principal. Absent semester goals, student aides may receive a pass (P) or fail (NP) grade.
