

STUDENT ASSESSMENT

Mandatory Statewide Assessments

Districtwide and school-level results of statewide student assessments shall be reported to the Board of Trustees at least once a year at a regularly scheduled Board meeting. This report shall not specify the score or relative position of individual students. (Education Code 60609)

Local Assessment Program

The Superintendent or designee shall ensure that the district complies with all of the following conditions related to student testing. (Education Code 60640-60641)

1. The district shall administer a standardized achievement test approved by the State Board of Education to all students in selected grades.
2. The achievement tests shall be administered at a time of year specified by the Superintendent of Public Instruction.
3. The individual results of these tests shall also be reported to the student's parent/guardian. This report shall include the student's score and a clear explanation of the purpose of the test and its intended use by the district.
4. The individual results of these tests shall also be reported to the student's school and teachers and included in his/her student record. They shall be further released only with the permission of the student's parent/guardian.
5. The districtwide and school-level results of these tests shall be reported to the Board at a regularly scheduled Board meeting at the same time that the results of the statewide student assessments are reported, if possible. This report shall not specify the score or relative position of individual students.

The Superintendent or designee shall certify the Superintendent of Public Instruction the district's compliance with these conditions. (Education Code 60640-60641)
