## Specifications/Clarifications:

The project due date will be extended from February 9, 2022, to **February 20, 2023**, no later than 2:00 p.m. **No proposals will be accepted after 2:00 p.m.(PST) on February 20, 2023.**

- Orcutt Union School District is requesting that all the fiber optic cable, fiber connectors, fiber panels, fiber enclosures & fiber patch cords all be manufactured by Commscope/ Systimax or equivalent.
- Can you give us pictures of the inside of the pedestals?

- When would work start? Work would not start before April 1, 2023 and would be dependent on the district's timelines. The district would like all work to be completed before the start of the school year.
