For the 2023-2024 school year, all parents need to log in to the Aeries Parent Portal to confirm their child's emergency information. We are asking parents to confirm information through the portal instead of sending home paperwork to make sure addresses, phone numbers, medical information, etc. are correct. You will also be asked to look over our school handbook and other important documents. After you finish confirming your information, you will be instructed to print out a form and sign it. You will bring this for with you to Trojan Trek. This Data Confirmation Module has been released and will be available until the first day of school. The day before school starts you will need to log into your parent portal to see who your child's first period teacher is. If you have any problems with the data confirmation process, come to Trojan Trek anyway and someone will help you log on and complete the task
