Greetings Parents and Guardians,

My name is Kelly Osborne and I'm the principal at Lakeview Junior High School for the coming school year. I just wanted to take a moment to tell you a little bit about myself and let you know what to expect for your students this year.

This is my 23rd year in the Orcutt Union School District! I started my career as a teacher at Lakeview where I remained for 10 years. I then earned my Master's Degree in Educational Leadership and Administrative Services credential in 2010. I went on to be the Vice Principal at Orcutt Junior High for 4 years and later became the Principal at OJHS for the last 7 years.

Last year, I was afforded the opportunity to come back to Lakeview Junior High in a leadership role. I've loved reconnecting with the LJHS community and I have so many fond memories of when I was teaching here so many years ago.

Please know that kids are my "Why." Every decision I make is with kids in mind. Also, I have an open-door policy, so if there's an issue, concern, or you'd just like clarification on a situation, please reach out. I firmly believe that parents and guardians are an integral part of our school community. Also, I hope you'll consider getting involved in our PTSA! We need volunteers like you to create meaningful events and memories for our kids.

I look forward to getting to know you as the year goes on. I encourage you to participate in all school events from Back to School Night this Fall to Open House in the Spring and everything in between.

Hope to see you all soon! Let's have a great year together.

Sincerely,

Kelly Osborne
Principal
