Information regarding MyProcure, our child care scheduling and billing software, and its Parent Portal is available on the Campus Connection page of the OUSD website:

<https://www.orcuttschools.net/campus-connection-2/> In your MyProcure account, you will have access 24/7 to make payments, view schedules, and print year-end reports. Changes to your child’s monthly schedule made by the 15th of the month will go into effect on the first day of the following month. If schedule changes or cancellations for the following month are not received by the 15th, the schedule in place will remain in effect for the following month and you will be billed for those hours.

As an incentive, your yearly registration fee will be waived if you contact us during the first month your child attends Campus Connection to provide a *permanent* schedule, one that will be in place until the end of the school year. At that time, the registration fee(s) will be credited. If the schedule needs to be changed at any point during the school year, the registration fees will be re-applied to your account.

Campus Connection is a prepayment program. Tuition fees, based on contracted hours, are due on the first (1st) of each month. **A \$25.00 late fee will be assessed on accounts where the balance has not been paid in full by the fifteenth (15th) of each month.**

Payments may be made with a debit/credit card, either online, over the phone or in person at the Administration Office. Statements will be emailed on the 1st of each month and again on the 15th if a balance remains.

You may also deposit your payments by check at the Campus Connection sites or at the Administrative Office. All checks are to be made out to **OUSD CAMPUS CONNECTION**. When writing a check, please include your child’s name and school name on the memo line. If you mail your check to our office, please send it to:

OUSD CAMPUS CONNECTION

500 DYER ST.

ORCUTT, CA 93455

Cash will be accepted only at the Administrative Office and exact change is required.

Returned Checks

A \$25.00 bank fee will be charged for checks returned from the bank for non-sufficient funds (NSF). Re-payment of NSF checks and related fees must be made at the Campus Connection Administrative Office. Parents who have two (2) returned checks will be placed on a cash only payment method.

Past Due Payment Policy

Please keep accounts in good standing. In addition to the \$25.00 late payment fees, after two (2) reminders about an overdue account, you may be asked to find alternative care for your child. Delinquent accounts will be sent to a collection agency. If your account is sent to a collection agency, you will need to pay the agency the total amount due. Before you may register your child in the program again, you will need to pay Campus Connection a handling fee equal to fifty percent (50%) of the balance due that was sent to the collection agency.

Additional Documentation

There will be an extra fee charged for the verification of the actual hours or monies received, including copies and/ or other written documentation provided by OUSD Campus Connection business office. Charges will apply when requests are made by the parent or guardian, but do not apply to year-end tax statements, monthly statements of account, receipts or signatures required for flex accounts.

Copies will be billed at \$1.00 per page.

Prepared Documents will be charged at an hourly rate.

Additional fees may apply to special billing requests.

Registration and Scheduling Process

If you are new to Campus Connection, please visit our page on the OUSD website, www.orcutt-schools.net, to register and create your MyProcure account, which is our childcare software platform. After initially registering for Campus Connection via **MyProcure.com**, you will see the alert, "Registrations are Available" on your MyProcure dashboard. Click "View" and begin the re-registration process. If you currently have a MyProcure account for Campus Connection, sign in using the same email address used to set up the account and view the registrations available.

There are daily before and after-school options available. For after-school care, you may choose two hours or until 6:00 p.m. Before school options vary depending on the school site.

Each child must be scheduled for a minimum of ten hours per week. If your child is with us longer than your scheduled hours, the charges for extra time will be added to your account monthly and will be billed at the same hourly rate. For example, if your child is scheduled to be in Campus Connection for 2 hours after school, but they get picked up 30 minutes later than scheduled, the additional 30 minutes will be added to your account and noted as "Extra Hours" at the end of the month.

If your work schedule changes monthly, you may alter your childcare schedule during each month's open period, which closes on the 15th. Changes will go into effect on the first day of the following month. If no changes are made, your schedule will be the same as the previous month.

No credit will be issued for unused time. You may add time, but not deduct time. If a child stays in Campus Connection longer than his/her contracted hours, the charges for the extra time will be added to your account on a monthly basis and will be billed at the same hourly rate.

No credit will be offered for absences on your scheduled days due to short-term illness or changes in personal plans. If a child is sick five (5) or more consecutive days from *school*, he/she will be credited for those days scheduled in child care. Please notify the Administration Office to request credit for illness over (5) days.

Students participating in afterschool activities (enrichment, intervention, band, sports, etc.) who require care after said activity are to check in with Campus Connection Staff at the release of school, notify staff of the activity and location, then proceed to the activity. Students must return to Campus Connection immediately after the conclusion of activity. Parents are responsible for childcare expenses during the after school activities.

Parents who pick up their child after 6:00 p.m. will be charged \$15.00 for every 15-minute period or part thereof after 6:00 p.m. Parents who are delayed in picking up their children more than three (3) times in a forty-five (45) day time period will be asked to find alternative child care.

Non-Attendance

Please notify your child's Campus Connection staff by school dismissal time if your child will not be attending child care on a day that he/she is scheduled to attend due to illness, sports, early pick-up, etc. This is for the protection of your child. We will be looking for your child if he/she is not present during the check-in period. Parents who routinely neglect to notify staff regarding absences on scheduled days will be contacted by the program Director and fees may be imposed.

Parents/Guardians must notify the staff if they are allowing their child to be released from our program to walk home with another student. This request must reach the Campus Connection staff before the end of the school day. Students will not be allowed to verbally pass this information along from the parent.

No credit will be given for non-attendance. Repeated failure to notify the school site about absences could result in the child being dismissed from the program.

Tax Information

The Campus Connection Tax I.D. number is 77-0074164.

Your canceled checks, payment receipts, or monthly statements will act as a record for tax purposes. Tax statements are provided by request through the Campus Connection Business Office.

Child Care Reimbursement Forms

Families using a payment assistance program must have all agency enrollment forms approved and returned to the Campus Connection office before the child may attend. After approval, parents must have all agency monthly forms signed by the last day of the month. Failure to have forms properly filled out by the end of each month for processing will result in termination from Campus Connection. Parents are liable for any unpaid tuition for scheduled hours including school and non-school days.

Sign In/Out Procedures

The sign in/out procedure is a requirement of State Safety Guidelines.

1. Campus Connection sites have a sign in/out sheet that requires the parent (or authorized person) to initial and write in the current time each time the child is dropped off and/or picked up each day the child is scheduled.
2. We also maintain a computerized attendance program. This requires the parent (or authorized person) to check students in and out electronically.
3. **Failure to sign out on the computer and the sign in/out sheet will result in the parent being charged until 6:00 p.m.**
4. If a child is not picked up by the 6:00 p.m. closing time, the staff will make every effort to contact persons listed on the information/emergency card. If no one arrives to pick the child up by 6:30 p.m., the Sheriff's Department will be notified.
5. Parents who pick up their child after 6:00 p.m. will be charged \$15.00 for every 15-minute period or part thereof after 6:00 p.m. Parents who are delayed in picking up their children more than three (3) times in a forty-five (45) day time period will be asked to find alternative child care.

6. Parents using an outside agency for payment must sign in/out on the computer, sign in/out sheets, and their agency form. Failure to do all three (3) may result in loss of child care.
7. The parent (or authorized pick-up person) must sign the child out of the program each day. A Campus Connection staff member will have already signed your child into the program from school.
8. Parents scheduling morning child care must sign their child into the program in the morning and the staff will sign them out to class.
9. Only pick-up people listed in the child's emergency contacts will be allowed to take the child from the school site. Those picking up the child must be prepared to show picture identification. If a parent chooses to allow an older sibling or any other person under the age of eighteen (18) to pick up their child, they must be listed in the emergency contacts and/or have a signed Sibling Release Form on record.
10. **Campus Connection staff cannot release a child to anyone who is suspected of being under the influence of any mind-altering substance.**

Termination of Service

Enrollment in Campus Connection is important to all involved. Therefore, adherence to the regulations stated in the contract is mandatory. Services may be terminated at any time for the following reasons:

1. Three (3) late pick-ups (after 6:00 p.m.) in one forty-five (45) day period.
2. Failure to pay for tuition by the 15th of the month.
3. Disruptive Behavior: If a child commits an offense that results in suspension of childcare (i.e. physical injury to others, threats, foul language, continual disruptive or disrespectful behavior) the parents will be called to immediately pick the child up. The child may not be allowed to return to Campus Connection until a parent conference is held.

4. Parents who are on subsidized programs that fail to have all forms signed and ready to mail to the proper agency by the last school day of the month will be asked to find alternative care for their child.
5. If at any time the Campus Connection staff determines that a child is unable to benefit from the program, or that he or she impairs the ability of other children to benefit from the program, this agreement may be terminated by Campus Connection without notice. All regular school rules are in effect and failure to comply could necessitate consequences that might lead to suspension or termination from the Campus Connection child care program.

Medical Emergency/Illness Policy

Children who arrive ill (i.e. runny nose, continuous cough, red throat, unexplained rash, swollen glands, head or stomach ache, etc.) will be isolated and their parents will be contacted immediately for prompt pick up.

When a child becomes ill or is seriously injured, the parent will be notified immediately. After such notification, the parent or other designee will be expected to pick up the child promptly.

When contacting the program to report your child's absence, please call the Campus Connection school site number and not the school office.

In the event of an emergency, 911 will be called and the parent will be notified immediately. Parent/Guardians will be responsible for all costs incurred in such emergencies. At no time will the Campus Connection Program staff transport an injured child to a medical facility. If the child incurs a minor injury, staff will administer basic first aid (clean injury, apply ice pack, secure bandage, etc.) and inform the parent/guardian of the incident when they pick up the student. An accident report will be completed and filed for all major injuries.

Medication Policy

A special consent form for the administration of medication must be completed and signed by the parent and physician and must be on file at the Campus Connection site. Over-the-counter medication also requires the medication authorization form. Medications will not be administered unless all guidelines are followed. No medication of any kind may be carried to school or Campus Connection by the student without proper documentation. Only prescribed medication, in the original prescription container, will be administered to a child. The container must be labeled by the pharmacist to include the name of the child, date, dosage, name of medication and the method of administration. If the student is attending a camp it is the parent's responsibility to pick up medication from the school site and deliver to camp location.

Discipline

It is the goal of Campus Connection to provide a safe, caring and inviting atmosphere for all children. Every effort will be made to meet the needs of the children and their parents/guardians. We will work hand-in-hand with the parents/guardians of each child to identify problems and work on a common goal toward a solution. In order to provide quality care, it is important that both the parent/guardian and the child be aware of the policies concerning discipline and dismissal.
