

The background of the top section is light blue with numerous small white dots and several stylized white snowflakes of varying sizes scattered around the title.

# December's Kindness Matters Nominees

December's Kindness Matters Nominees at Vernon Elementary have been true ambassadors of positivity, spreading joy with every step they take down the hallways. From lending a helping hand to peers to sharing warm smiles and kind words, these students have created a ripple effect of goodwill that brightens the school community. Their small acts of kindness remind us all that making a difference starts with a simple gesture, and their efforts inspire others.
