

OCTOBER'S KINDESS MATTERS NOMINEES

In October's glow, the children all know, kindness is the magic they choose to show! They hold doors with flair, share treats with care, and welcome new friends with laughter to spare. Older kids lend a hand, like kindness was planned, while others sprinkle smiles like enchanted sand! With each silly grin and giggle so bright, they cast spells of kindness morning till night. And through this spell, their school halls ring, with warmth and joy that kindness brings!
