NEW! Pay for Student Panther Program Fees Online

Attention Parents:

Peabody Charter School is excited to offer online payments for the Panther Program through the MySchoolBucks® website! We will be using this online payment service to provide an easy way to pay fees for the Panther Program using your credit/debit card or electronic check.

If you are already using MySchoolBucks to pay for school meals, your account is already set-up and ready to go! Each month, when the Panther Program payments are due, an invoice will be assigned to your account for your student(s). An email notification will be sent to notify you when the invoice is sent out. Upon logging into your account, you will be prompted with a message that notifies you that payment is due – from there you can simply add the invoice(s) to your basket and make the payment!

Should you not already have an account, you can create one by completing the following steps:

1. Go to www.MySchoolBucks.com and register for a free account. Be sure to input Peabody Charter as your school and not Santa Barbara.
2. Add your students using their school name and student ID.
3. Make purchases with your credit/debit card or electronic check.
A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.

MySchoolBucks provides:

- **Convenience** - Available 24/7 on the web.
- **Efficiency** - Make purchases for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI and CISP.
