Pioneer School Hot Lunch and Pizza Punch Cards

You do not have to participate in the punch card system. You may continue to send cash or check for each meal.

There will be a separate card for each child and item, but one check can be written. Please fill out the order form for how much will go toward hot lunch and pizza for each child. If there are punches not used at the end of the year, you will be reimbursed.

- **Checks made out to Pioneer School PTA and turned into the child's teacher**

- **One Hot Lunch is $2.50 and one Pizza Lunch is $1.00 (you can buy multiple)**

For example: a 10 punch hot lunch card at $2.50 per punch will cost $25 and a 20 punch pizza slice card is $20.

If you want to prepay for fewer punches on the hot lunch card you may do so. Just make sure it is noted on the order form. You may purchase additional cards for hot lunch and pizza as they run out. Each child will have their own cards.

Money will still be needed for the juice and soda sold by the 6th grade class on Wednesdays and Fridays. This fundraiser helps go towards their 6th grade skip day at the end of the year.
