3. REQUESTS TO ADDRESS THE BOARD

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings and will allow 3 minutes per person for public comment. The Board is not obligated to respond to questions or challenges made during the public comment period and the board's silence does not signal agreement or endorsement of the speaker's remarks. The Board Chair may terminate an individual's statement when the allotted time has passed and may interrupt a speaker to require the same standard of civility that the board imposes on itself. Examples of uncivil comments include comments that:

- Are libelous or slanderous;
- Are an unwarranted invasion of privacy;
- Are obscene or indecent pursuant to the Federal Communications Act or any rule or regulation of the Federal Communications Commission;
- Violate school district policy or procedure related to harassment, intimidation, bullying, or discrimination;
- Incite an unlawful act on school premises or violate a lawful school regulation; or
- Create a material and substantial disruption of the orderly operation of the board meeting.
