Poughkeepsie City School District Mission

“We are champions of children who inspire and nurture the whole child by providing innovative, high-quality educational opportunities that prepare all students to embark on individual paths of success in a globally diverse community.”

Poughkeepsie City School 5-Year Strategic Plan

In January 2020, the Poughkeepsie City School District embarked on a journey, defined by a community vision for what a quality educational experience should look like for all students. Moving from an organization of promise, towards an organization that fulfills its obligation, the Poughkeepsie City School District adopted a 5-year strategic plan to ensure that all students achieve success in and beyond the school environment.

The 5-year Strategic Plan provides the road map of activity that the entire school community and its strategic partners engages in to reach its destination and fulfill the vision it has for student success.
