

2017-2018 News!

Breakfast and Lunch is FREE for ALL students

Income Inquiry applications will be sent home as usual. These must still be filled out listing all family members and household income. Income will not affect the free meals for students. It helps the District receive other forms of funding.

"SIDE KICKS"

Have a picky eater? Do your kids still love to use their lunch box? They can still participate in our FREE lunch program! Let us compliment your home lunch with Veggie Sticks & Dip, Fruit, and a Milk. (Must take all 3 items)

Snack milk and milk for lunches brought from home cost \$.65. Not a part of the free meal program. Any money carried over from last year is on accounts and can be used for extras or snacks.
