

Dear Parents of the Class of 2021,

The Putnam County High School yearbook is continuing a program to personalize senior message ads. We extend this opportunity so that you may honor or surprise your son or daughter through a message ad in the 2020-2021 yearbook.

Senior ads will be in the back of the yearbook along with any business ads that have been bought. We offer senior ads in half page (\$90) or quarter page (\$60) sizes as well as multiple options for submitting photos and designs. Please log on to <https://yearbookforever.com/#> and view the steps for creating, designing, and paying for your senior ad. You can also purchase a yearbook online for \$35 while visiting the site or from a yearbook member listed below. Prices will increase to \$40 after January 15th. A step-by-step guide and information sheet for senior ads is provided on the back for your convenience. Please note that there is an option for the yearbook staff to create the senior ad for you, however we ask that you upload your photos and pay online if possible.

There is a limited amount of space for senior ads in the yearbook, so please submit your photos and money as soon as possible. The final deadline is January 15th. The yearbook reserves the right to refuse any ad.

\*If you are waiting on senior pictures but want an ad, please still send a check payable to PC R-1 for the size you want to reserve your spot. Include a note indicating you will submit pictures later. Pictures and messages must be submitted by April 1st.

Sincerely,
