

MEET THE TEACHER!

Hi! I am Mrs. Fitzpatrick and I am so excited for this school year! This year, I will be teaching a section of 2nd grade computers, 3rd grade health, 4th grade health, 8th grade keyboarding elective, and high school semester courses of Fashion Merchandising, Sports & Entertainment Marketing, Career & Family Leadership, Child Development, Health, and Personal Finance. I stay busy but I love getting to interact with students of all ages throughout my day.

I graduated high school from South Harrison High School in Bethany, Missouri in 2007. After high school, I attended Northwest Missouri State University where I graduated in 2011 with a Bachelor's of Science in Family and Consumer Sciences degree. Last year, I took the Praxis test and became certified in Marketing Education also. This is my fourth year of teaching here at Putnam County and I am proud to be a Midget!

My husband and I are happy to be raising our daughter, Harper, here in Unionville. She will turn 2 in October and I now fully understand the meaning of "the terrible twos." ☺ She is growing so quickly and learning new things every day.

I am excited to get this school year started and wish all of you a wonderful, exciting, fun-filled, and successful year!

MY FAVORITES
