Parents, please make a point to...

support & Compliment

Word-Solving

When an error is made **WAIT** to give your child a chance to work on it **independently**.

When you are certain they are going to keep going, stop them saying something like, "Try that again," or "Make it match."

Comprehension

Ask questions that invite recall **AND** thinking, such as, "Why do you think __ happened?" or "What do you think __ means?" Urge re-reading to build comprehension as needed.

Fluency

Model expressive reading & have your child echo read. Encourage just-right pacing (not too fast, not too slow). Demonstrate how to attend to the punctuation (pausing at the end of sentences, adding expression based on the punctuation mark).
