

UHS/PCHS 2019 ORVAL SPENCE MEMORIAL ART EXHIBIT

The alumni organizing committee is adding an art show/exhibit to this year's alumni reunion and in honor of Orval Spence, class of 62, we are calling this year's event the Oral Spence Memorial Art Exhibit. As many of you know Orval loved photography and many forms of fine art. He taught art for many years during his career as an educator and was an accomplished photographer and artist himself. We hope to get many of his works to exhibit at this year's alumni reunion.

We know that there are many more alums who are accomplished artists in their own right and we would love to have some of those works to display as well. The exhibit will be at the school reunion on Saturday, but we also have the option of setting up an alumni exhibit at the Bixler Building on the square for the month of August and at the Putnam County Fair, which starts immediately after the reunion weekend. Please let us know what exhibits you would like to have your work included in.

We would love to have and proudly display your works for all of those events, but especially want to make sure we have it for the Alumni Reunion.

Please contact us if you have questions or need more information.

The following is an example of a label that we would display with your work. Please give us the information that you would like us to include on the label for your work.

Moonlight Grove, Acrylic on Canvas

Jane (Perkins) McDonald, Class of 1973

This was inspired by a favorite vacation spot in Wisconsin. The artist has been painting since high school days under the watchful eye of Mrs. Paris. Jane studied Fine Arts at the University of Iowa.
