

Putnam Co. R-I Character Education Week

February 18-21, 2020

Tuesday: FOOD FOR THOUGHT DAY It is important to help others, and would like to help support our **Buddy Pack Program**. Please donate \$1.00. Every dollar donated buys \$21.00 worth of food. We are also **Grateful** for our community; please bring in your non-perishable food items & canned goods to help those in need in our own community. (Please no outdated or open items) All food items will remain in our county at the **local food pantry**.

Wednesday: CITIZENSHIP DAY We show good **CITIZENSHIP** by taking care of our elderly friends and family. We will collect donations for BINGO prizes for our friends at the **Putnam County Care Center**. Prizes that residents enjoy are individually wrapped candy or snacks and small knick-knacks that are new.

Thursday: RESPONSIBILITY DAY We will help support our local meals-on-wheels program through the **PC Cafe' & Resource Center**. Items to donate for the center are dish soap, paper towels, and napkins.

Friday: CARING DAY We are going to support our local **Children's Division** who work with many families in our community. Today we will be collecting cleaning supplies for families in need. Items that are needed would include, laundry detergent, all purpose cleaning items, head-lice treatment kits, bed bug kits, trash bags and brooms/mops. **We will be collecting donations to celebrate Character Education Week. Please send items with your child if you are able to help support our community organizations.**

Thank you!
