Ventura County Science Technology Engineering Arts Mathematics Network

COLLOQUIUM # 3 **SEARCH**

DATE: DECEMBER 2, 2013 (MONDAY)

(Rioschools.org)

TIME: 4:30-6:30 PM

SITE: RIO DEL MAR ELEMENTARY SCHOOL (3150 Thames River Dr, Oxnard, CA 93036)

4:30pm Guest Speaker & Keynote Presenter

Andrew T. Schwab ([RebootED](#)) will discuss **Search** as a 21st Century Literacy and also provide a tutorial on becoming a better Searcher.

5:15 pm The Great **STEAM** Search will commence.

Participants will choose a search problem in Science, Technology, Engineering, Art, or Mathematics and work alone or together in collaborative teams to seek an answer to the scavenger hunt prompt question while documenting the group's search process.

6:15 pm Finally, we'll gather as a group and discuss what we found and how we found it.

Food and **Internet access** will be provided so please bring a searching device. Come help others learn how you search, come contribute to our developing **VCSTEAMN** network.

All participants will receive a Google search book.
