INTRODUCTION

Welcome!

This handbook is intended to be used by students, parents and staff as a guide to the rules, regulations, and general information about our school. Each student is responsible for becoming familiar with the handbook and knowing the information contained in it. Parents are encouraged to use this handbook as a resource and to assist their child in following the rules contained in this handbook.

Although the information found in this handbook is detailed and specific on many topics, the handbook is not intended to be all encompassing so as to cover every situation and circumstance that may arise during any school day, or school year. This handbook does not create a “contract.” The administration reserves the right to make decisions and make rule revisions at any time to implement the educational program and to assure the well being of all students. The administration will be responsible for interpreting the rules contained in the handbook. Should a situation or circumstance arise that is not specifically covered in this handbook, the administration will make a decision based upon all applicable School District policies, State and Federal statutes and regulations, and the Parents Rights and Responsibilities Annual Notice.

Preschool Program

The Rio School District offers an academic preschool program at most of its elementary schools. The district is partners with the Ventura County Office of Education, the Rio Neighborhoods for Learning, Child Development Resources and Child Development Inc. to provide this program for children ages 3-5 who meet eligibility criteria.

Transitional Kindergarten

This program is for children who have not turned 4 years old by April 2nd of the current school year. Our transitional kindergarten serves as a bridge for children who, in essence, need the gift of time, time that is essential to absorb and express ideas, learn more about friendships, assert independence, and examine the world around them. This allows the children to become more confident as they move to the next level of academic achievement.

School Climate and Environment

The Rio School District believes that all students should be provided a foundation where every student feels valued and valuable, safe and respected, and socially and emotionally happy and healthy. School sites, teachers and staff are encouraged to utilize a Positive Behavior Support approach working with students in a variety of situations. This approach

helps to encourage adults working with students to find alternative solutions to student issues. All of which is practiced through character education that teach RSD students tolerance and problem solving skills.

Closed Campus Policy

Our school is a closed campus. Students are expected to remain on campus from the time they arrive in the morning until they are dismissed in the afternoon.

Students who need to leave the campus for any reason must be signed out through the office by a parent, guardian, or emergency contact person (who must be 18 years of age or older).

NOTE: Only those persons designated on the emergency card may sign out students.

Students returning to the school must check back into the office to get a pass to return to class.

School Visitors

The Rio School District encourages visits to the schools and programs operated by the Rio School District by parents/guardians, members of the community, and other interested persons in order to view the educational program and facilities and to offer constructive comments.

Classroom visits by members of the community and other interested persons should be arranged in advance with the teacher, principal, or principal designee in charge. Approval or denial is based upon whether there is a reasonable basis to conclude that the visit will interfere with school activities. Visitors may be accompanied by the principal or principal designee at all times while visitor is on campus when students are present. In all cases, responsible adult behavior shall be required of all visitors. Visitors who pose a threat to the health and safety of students, teachers, or other personnel or who otherwise disrupt the normal operations of the school shall be removed.

Possession of unauthorized dangerous instruments, weapons, or devices is prohibited on school premises or any other place where a teacher or student are required to be in connection with assigned school activities. No electronic listening or recording device may be used by students or visitors in the classroom without the teacher and principal's permissions. All Rio School District schools and property are Tobacco free zones. Therefore, the use of tobacco including chewing tobacco, cigarettes, e-cigarettes, hookahs and any other vapor emitting devices is prohibited on school grounds, including personal vehicles parked on school property.

No one, other than those designated on the emergency card, will be permitted to take a child from school. All visitors are required to check in at the school office as soon as they arrive. Parents must report to the office before going to a classroom or coming on campus. Parents who have a complaint are to request an appointment with the staff member and/or principal. No disruptions of school activities or verbal/physical assaults will be tolerated by visitors on campus. (*E.C. 44810 and 44811*)

Administration has the authority to direct non-students to leave campus. No outsider shall enter or remain on school grounds during school hours without having registered with the principal or designee, except to proceed expeditiously to the office of the principal or designee for the purpose of registering.

Child Custody

In most cases, when parents are divorced, both parents retain parental rights. If you have a Court Order that limits the rights of one parent in matters such as custody or visitation, please bring a copy to the office. Unless your Court Order is on file with us, we must provide the rights that the law allows to parents concerning records, visitation and information about the child.

School Phones are extremely busy and we only allow students to call home in case of an emergency. Whenever possible, avoid leaving phone messages for your children at school. It is difficult to ensure that they will receive the message. Parents and children are encouraged to make pick-up and after-school arrangements at home.

Tobacco-free and Drug-free Campus

We are a drug-free campus. Students who are required to take physician prescribed medications during the regular school day must be assisted by the school nurse or other designated school personnel to ensure appropriate procedures are followed. We are a tobacco-free campus. Smoking is prohibited in any district building or facility. In addition, smoking or the use of tobacco products by district employees or any other person is prohibited on school grounds or in district vehicles (BP 3513).

Dress Code

The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Student's clothing must not present a health or safety hazard or a distraction which would interfere with the educational process (BP5132(a)).

- Clothing, jewelry and personal items (backpacks, gym bags, water bottles, etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
- Hats shall not be worn indoors. Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day (Education Code 35183.5).
- Clothes shall be sufficient to conceal undergarments at all times. See-through or fishnet fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.

- Shoes must be worn at all times. Sandals must have heel straps. Flip-flops or backless shoes or sandals are not acceptable (For safety reasons, shoes with embedded wheels (Heelys) may only be worn with the wheels removed).

The school site may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

Personal Property

Children are not to bring toys, games, electronic devices, etc., to school without teacher permission. Upon arrival to school and through dismissal, cell phones should be turned off and not used for text messaging, taking pictures or direct-connect two-way communication unless the use is directed or expressly permitted by a school official. **The school is not responsible for lost, stolen or broken personal items.**

* Please label outerwear and backpacks with students name.

Gum and Food

Gum is not allowed on campus. Food is allowed in designated areas only.

Lunch/Breakfast Money

As a Provision 2 school, all students receive breakfast and lunch at no cost.

Lost and Found

We keep a Lost and Found box during the year. If your child loses something, he/she is free to look for it there. Unclaimed items will be disposed monthly.

Attendance and Absences

Regular attendance plays a key role in the success a student achieves in school. The first step to success in school is getting there. It is an obligation of student, parent and school authorities to insist upon good attendance. Excused absences include:

- a -Illness
- b -Doctor/Dental appointments
- c - Death in the immediate family
- d - Quarantine

A written note from the parent on the day the child returns is necessary, unless a phone call to the school is made by the parent explaining the reason for absence. *Excessive absences may result in referral to the School Attendance Review Board.*

Tardiness

If a child arrives late to school, he/she must stop by the Office for a pass to class. Please remember, tardiness results in loss of instruction time. **More than 3 tardies per year are considered excessive.** Excessive tardiness may result in the referral to the School Attendance Review Board.

Withdraw from Attendance

The school should be notified by the parent in advance of a student withdrawing from attendance. Parents need to indicate where the parents are moving and the address of

the new school, if possible. Your child's records and report card will be sent to the new school upon request from the new school's office. Please return all books and school materials prior to moving.

Independent Study (BP 6158 and AR 6158)

Planning family vacations during the school year is discouraged. If a student is to be absent for more than five days for reasons other than illness or emergencies, arrangements should be made with the office for an Independent Study Contract five days prior to the scheduled leave. Parents/guardians of students who are interested in independent study, should contact the principal or designee prior to the scheduled leave to verify eligibility. Upon return to school, student work should be turned in immediately to receive credit. It is the student's responsibility to check-in with teachers upon return to school for any additional work missed.

Emergency Information

Emergency cards are kept on file for all students with important information in cases of student illness, accident or other emergency. Please return the emergency card to the office as soon as possible. New emergency cards must be completed each school year and signed by the parent/guardian. **If student information should change throughout the year, it is the parent's responsibility to inform the office.** You must have contact phone numbers on the back of the emergency card. These should not be the same as the home number on the front of the card. **NOTE: Only those persons designated on the emergency card may sign out students.**

Student Accident Insurance

Accident insurance is available to students at a reasonable price. Specific information regarding the plan will be supplied during registration and the first week of school. Parents are encouraged to purchase this insurance as the school accepts no financial responsibility for accidents occurring on school grounds.

Health

When your child is ill the evening before or the day of school, please keep your child home. Children who run a fever, vomit, experience diarrhea, coughing, sore throat or other cold/flu related symptoms are not ready for a rigorous day of school. They need at least 24 hours of rest before returning to school. If you would like to pick up your child's homework, please notify the Office in the morning.

Due to COVID-19, any student with a temperature of 100.4 or above will not be permitted on campus, per county and state guidelines.

Medication

It is desirable for medication to be administered at home. However, it is recognized that some students are able to attend school regularly because of the effective use of medication in the treatment of chronic disabilities or illness. It is also recognized that in many short-term illnesses, medication may need to be continued after a student returns to school. To accommodate this we need:

1. The original container must accompany all medicine or drugs.
2. A written physician's order and parental consent form: "**Authorization for Any Medication Taken during School Hours**" **District Form**, which includes the medication name, reason for medication, dosage, schedule, anticipated number of days to be administered, and side effects of the medication.
3. Students may not carry any medication with them on campus including over-the-counter medication or asthma pumps.)

Returning to School After an Injury or Serious Illness

When a child is injured on or off campus and returns to school with a cast, crutches, splints, etc., he/she needs a doctor's clearance. This clearance should include any physical limitations or special instructions (e.g.: No PE for a week). Without a written medical clearance, the child will be excluded from school. This is done for the protection of your child as well as for the safety of others.

Supervision

We provide daily yard duty supervision for 15 minutes before school begins. Teachers supervise students during morning and afternoon recesses. We have noon duty supervisors who work with students during lunch and lunch-recess. **There is no yard supervision after school.** Parents need to pick up their children promptly at the end of their school day. There is no supervision for them after they are dismissed.

Parking Lot

Parking is very limited. Please remember to drop off and pick up students in the safest manner possible. Drive cautiously and watch for students at all times. The handicap area is for those who have handicap parking permits. Remember do not block parked cars. Adhere to the designated no parking red zones, speed limits and crosswalks.

Back to School Night

All parents are encouraged to attend the annual Back-To-School Night. Teachers will provide valuable information regarding academic expectations for the school year.

Calendars and Newsletters

Monthly calendars and newsletters are sent home at the beginning of each month along with the menu from the cafeteria. Please post these at home for reference.

Parent-Teacher Conferences

Parent-Teacher conference dates are listed on your Yearly School Calendar. Your child's teacher will schedule a time for you. Our goal is to work together with you to provide the best education possible for your child. We hope to see you at conferences, as well as at other school activities this year.

Academics

A. Homework

The Rio Elementary School District Board Policy BP6154 states that the Board:

- Recognizes that homework contributes toward building responsibility, self-discipline, and life-long learning habits.
- Recognizes that the time spent on homework directly influences student's ability to meet the District academic standards.
- Expects students, parents/guardians, and staff to view homework as a routine and an important part of students' daily lives

Recommended Amount of Time:

Homework assignments will vary in length and difficulty according to the individual student. In addition to doing homework assignments, all students are expected to read nightly for a minimum of:

Kindergarten – 1st Grade: 20 minutes

2nd – 3rd Grade: 30 minutes

4th – 8th Grade: 40 minutes

Nature and Purpose of Homework

- Promotes independence and responsibility.
- Provides additional practice/reinforcement of fundamentals.
- Allows for completion of unfinished class work or assignments missed during absences.
- Supports and encourages consistent daily reading.
- May include research/projects in assigned subject areas for which there is insufficient time in class.
- Keeps parents informed of current learning in class.

Principal's Responsibility

- The principal will send these Homework Guidelines to all parents in time for parents to read them prior to attending Back to School Night.

Teacher's Responsibilities

- Teachers will communicate homework procedures and expectations to all parents at the beginning of school each year (i.e., Back to School Night, introductory letter).
- Teachers will clarify at the beginning of the school year whether parents are to review and/or assist in correcting homework before it is turned in.
- Teachers generally will assign homework four days a week. These assignments should not require that the homework be completed over weekends or holidays.
- Teachers will assign homework that is commensurate with student's abilities so that the homework assignments are neither too challenging nor not challenging enough and can be completed independently.
- Homework copies will be legible and directions will be clear and understandable to student and/or parent.
- Homework will be meaningful and relevant to class work.
- Teachers will help parents understand the objectives of the school curriculum at Back to School Night and parent conferences and through student progress reports.
- Homework will be checked or corrected and returned to student in class or sent home. Teacher will review with student homework corrections/comments, if necessary.
- Teachers will notify parents when student repeatedly fails to turn in homework on time.
- Teachers will guide students and parents to available homework support services, as needed.

Student Responsibilities

- Students are expected to complete assigned homework independently and on time.
- Students are expected to turn in neat and legible homework.
- Students will ask teacher for clarification if homework assignment is not clear.
- Students are encouraged to talk with teacher if homework assignments are too difficult or too easy.
- Student is expected to show parents any checked or corrected homework returned by the teacher.

Parents' Responsibilities

- Parents are expected to provide a regular study and/or reading time in a suitable setting with appropriate materials.
- Parents are encouraged to offer guidance but avoid doing the assignment for the child.
- Parents are encouraged to provide a balance between homework and the child's free time. If a child consistently does not complete assignments within the recommended time frame (homework is too challenging/not challenging enough), parents should contact the teacher.
- Parents are expected to understand the objectives of the school curriculum and the relationship of the homework to these objectives.
- Parents are expected to ask the child to show/discuss checked or corrected homework.

If parents have questions or concerns at any time, they are encouraged to contact their child's teacher.

Report Cards

Report cards will be sent home in November, March, and June. Please refer to your Rio School District Calendar for the exact days. The November report card will be discussed with you at Fall parent conferences.

Student Recognition

Our school is proud to recognize students during the school year for their academic success and improvement. Regular, on-time attendance is crucial to ensure that students continually progress toward mastery of grade level expectations. Those students who have perfect attendance (including no tardies) will be recognized.

Textbooks

Students are issued textbooks at the beginning of the school year. They will be responsible for any lost or damaged textbooks. Failure to pay for replacement of these materials may result in a delay in the release of school records.

Physical Education

All students are required to participate in physical education activities. If a student is unable to participate due to illness or an injury, they must bring a written excuse from a parent or legal guardian and present it to their teacher. If your child is to be excused from PE for more than three days, a note from a doctor is required.

Response to Intervention and the Intervention Progress Team (IPT)

The Rio School District's leadership believes that a child's ability to learn is affected by social, emotional, behavioral, health and economic factors outside the classroom. The District's Response to Intervention (RtI) Model provides a framework making it possible for students to access a range of programs and obtain services that will support the individual needs of the child and his/her family. Both academic and Social/Emotional/Behavioral ("SBE") interventions are made available through site Intervention Progress Teams (IPT). The RtI process acts as a framework and organizing tool so that all district services and interventions will be accessible at the appropriate levels of interventions. The team is a regular education process that uses a positive problem solving team approach to do everything possible to make students' school life successful. Parents of referred students are an important part of this process. The student's progress is monitored frequently to see if those interventions are sufficient to help the student to catch up with his or her peers. If the student fails to show significantly improved skills despite several well-designed and implemented interventions, this failure to 'respond to intervention' can be viewed as evidence of underlying problems that may lead to an assessment for possible special education services.

Library

Our school provides library services for students. Students visit the library on a regular basis, during which times they are allowed to check out library books to read at home and at school. It is the student's responsibility to return his/her library book within the designated time period. Failure to do so will result in loss of check-out privileges. Lost or stolen library books are considered the responsibility of the students' family. Written notification for replacement cost(s) of lost book(s) will be provided to parents.

Field Trips

Field trips are part of the student's learning experience and are part of the school curriculum. They are planned and supervised by the classroom teacher. A permission slip must be signed by the parent prior to the trip. No child may attend any trip for which his or her permission slip has not been returned. Field trips are an extension of the school program and all school rules apply, including the dress code policy.

Code of Conduct

Our school adheres to the principles of **Positive Behavior Support** which include:

- Health and safety
- Legitimate Educational Purpose
- Property Loss and Damage
- Serious Disruption

Students are taught the importance of balancing their **rights and responsibilities** as citizens of our school community.

Student Rights

All students can learn and they have the right to:

- Be safe and protected
- Be free from verbal abuse and harm
- Have personal belongings safe
- Be treated with respect
- Learn in a “cared for” environment
- Be able to learn without distraction

Student Responsibilities

Students are expected to display appropriate behaviors while in class, on the school grounds, while going to and from school, and during school-sponsored activities:

- Show respect for yourself and others.
- Be in assigned seat, ready to work and with all materials, when the bell rings.
- Follow directions the first time they are given.
- Keep hands, feet, and objects to yourself.
- Use a pleasant voice when talking to others.

Sexual Harassment

Rio School District prohibits student sexual harassment. Student sexual harassment includes both student-to student harassment and adult-to student harassment. Sexual harassment is any unwelcome sexual behavior from another person and can include sexual comments, jokes, rumors, graffiti, or touching or staring in a sexual way. Students who sexually harass other students at school, at a school related activity or while going to, or coming from school, will be disciplined. Appropriate student discipline for sexual harassment may include suspension and/or expulsion. *Students who believe that they have been sexually harassed either by an adult or by another student should immediately tell the school principal, a teacher, or a school counselor so that the District can take action to stop the harassment and protect the student.*

EDUCATION CODE SECTION 231.5.

(a) It is the policy of the State of California, pursuant to Section 200, that all persons, regardless of their sex, should enjoy freedom from discrimination of any kind in the educational institutions of the state. The purpose of this section is to provide notification of the prohibition against sexual harassment as a form of sexual discrimination and to provide notification of available remedies.

(b) Each educational institution in the State of California shall have a written policy on sexual harassment. It is the intent of the Legislature that each educational institution in this state include this policy in its regular policy statement rather than distribute an additional written document.

(c) The educational institution's written policy on sexual harassment shall include information on where to obtain the specific rules and procedures for reporting charges of sexual harassment and for pursuing available remedies.

(d) A copy of the educational institution's written policy on sexual harassment shall be displayed in a prominent location in the main administrative building or other area of the campus or school site. "Prominent location" means that location, or those locations, in the main administrative building or other area where notices regarding the institution's rules, regulations, procedures, and standards of conduct are posted.

(e) A copy of the educational institution's written policy on sexual harassment, as it pertains to students, shall be provided as part of any orientation program conducted for new students at the beginning of each quarter, semester, or summer session, as applicable.

(f) A copy of the educational institution's written policy on sexual harassment shall be provided for each faculty member, all members of the administrative staff, and all members of the support staff at the beginning of the first quarter or semester of the school year, or at the time that there is a new employee hired.

(g) A copy of the educational institution's written policy on sexual harassment shall appear in any publication of the institution that sets forth the comprehensive rules, regulations, procedures, and standards of conduct for the institution.

Bus Conduct BP 5131.1

In order to help ensure the safety and well-being of students, bus drivers, and others, it is expected that students will exhibit appropriate and orderly conduct at all times when using school transportation, including while preparing to ride, riding, or leaving the bus. The Superintendent or designee may deny a student the privilege of using school transportation upon the student's continued disorderly conduct or his/her persistent refusal to submit to the authority of the driver.

Playground Behavior

Students shall:

1. Follow directions and playground rules
2. Stay in assigned areas
3. Keep hands, feet and objects to themselves
4. Treat others with the respect (no bullying, insulting, provoking)
5. Use equipment appropriately:
6. Follow school procedures as set by the administration and teachers.

Consequences for Misbehavior

School site staff will follow the district discipline matrix for inappropriate behavior. Inappropriate incidents are reported to the Principal or his/her designee who completes the following:

1. Holds a conference with the child/children to provide due process.
2. Contacts child's teacher and/or parents/guardian to report the incident.
3. Determines an outcome which is appropriate to the incident and which helps the child correct his/her own future actions.

The goal of this process is to assist students in understanding the relationship between rights (free play time on the playground) and responsibilities (maintaining appropriate behavior). Ongoing referrals may be addressed through an Intervention Progress Team (IPT) meeting including playground personnel, parent, teacher, and principal.

Unacceptable Behavior and Suspensions

The Following behavior is UNACCEPTABLE and will result in consistently applied discipline (according to Education Code 48900, 48260, 31583):

School sites will follow the Rio School District's Progressive Discipline Matrix for unacceptable behaviors.

- Threatening, bullying, fighting, assault and battery.
- Extortion (taking or attempting to take money or property from another person by use of a threat).
- Truancy: excessive absences and/or tardiness.
- Causing or attempting to cause damage to school or private property.
- Disturbing class or student activities.
- Use of profanity, vulgarity, or obscenity.
- Disobedience, defiance, or disrespect to school employees.
- Inappropriate mode of dress.
- Possession of personal radios, tapes, CD Players.
- Electronic devices: Students are permitted to carry a cell phone; however, all cell phones must remain turned off and in student backpacks when at school. If a student is caught with the cell phone in hand during school hours, the phone will be confiscated and a parent will need to come to the office to retrieve it.
- Severe disruptive behavior is not tolerated in the Rio School District. Students may be suspended from school and a conference will be held with their parents. As an alternative to suspension, a parent may be required to spend a day at school with his/her child.

A Progressive Discipline Plan was developed for all schools within the Rio School District and outlines the Alternative Means of Correction that school sites may use, as well as consequences that may be issued for inappropriate student behaviors. Each administrator must consider the age, intent, and prior offenses of the student in determining the appropriate consequences. Situations not specifically addressed in this plan or unusual or extreme cases will be dealt with in accordance with District Policy and the California Education Code.

Bullying

The Rio School District is committed to maintaining a learning environment that is free from discrimination, harassment, violence, intimidation, and bullying based on actual or perceived characteristics set forth in section 422.55 of the Penal Code and E.C.220 and disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics.

Bullying is defined as unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose. Both students who are bullied and students who bully others may have serious, lasting problems.

What students and parents can do:

What students can do:

- Be a friend to others: introduce yourself to new student, invite other students to play or hang out with you, work with an adult to solve disagreements.
- Talk to an adult.
- Be a supportive Bystander; Speak to an adult if you see another student being bullied.

What parents can do:

- Volunteer in the school.

- Notify your child's teacher, school counselor, or Principal if your child reports bullying to you or you suspect something is wrong.

Bicycles, Skateboards and Scooters

Children riding bicycles to school must park and lock them in the designated area immediately upon arrival at school. Bikes must be walked on school property and on sidewalks. Skate boards, bikes and scooters are not to be ridden on campus at any time. Skate boards and scooters should be held and put away while on school property. Bicycle (skateboard and scooter) riders under age 18 must wear a properly fitted and fastened helmet which meets specified safety standards when they ride on a street, bikeway, or public bicycle path or trail (Vehicle Code Sections 21212, 21204).

Rio Lindo School School-Parent Compact

Rio Lindo School distributes to parents of title I students a school-parent compact. The compact, which has been jointly developed with parents, outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement. It describes specific ways the schools and families will partner to help children achieve the State's high academic standards. It addresses the following legally required items, as well as other items suggested by parents of Title I students.

- The school's responsibility to provide high-quality curriculum and instruction
- The ways parents will be responsible for supporting their children's learning
- The importance of ongoing communication between parents and teachers through, at a minimum, annual parent-teacher conferences; frequent reports on student progress; access to staff; opportunities to observe classroom activities

Rio Lindo's School Site Council reviews and provides input annually on how parents, staff and students can share in the responsibility for improved student academic achievement. The School Site Council also considers the recommendations from the English Language Acquisition Committee (ELAC) parents and Parent Teacher Association members.

Building Capacity for Involvement

Rio Lindo School engages Title I parents in meaningful interactions with the school. It supports a partnership among staff, parents, and the community to improve student academic achievement. To help reach these goals, the school has established the following practices.

- The school provides Title I parents with assistance in understanding the State's academic content standards, assessments, and how to monitor and improve the achievement of their children.
All parents/guardians are invited to parent conferences to discuss content standards, assessments and student achievement. Parents also have access to Intervention Progress Team meetings where progress is monitored. An overview of how to access this is done at the annual Title I meeting at the beginning of each year.
- The school provides title I parents with materials and training to help them work with their children to improve their children's achievement.
Support is offered through individual parent/teacher conferences and at different parent support workshops throughout the year. Teacher letters are sent home throughout the year in addition to supports provided at Intervention Progress Team meeting and, Individual Education Plan meetings.
- With the assistance of Title I parents, the school educates staff members about the value of parent contributions, and in how to work with parents as equal partners.
Information and input from parents is shared at staff meetings. Teacher liaisons are able to offer insight and guidance on what is being shared at School Site Council meetings, PTA meetings and individual parent meetings. Parent involvement is a shared goal of staff at Rio Lindo and staff strive to offer a welcoming and safe environment.
- The school coordinates and integrates the title I parental involvement program with other programs, and conducts other activities, such as parent resource centers, to encourage and support parents in more fully participating in the education of their children.
The office support specialist provides access to and helps to coordinate parent Intervention Progress Team meetings where student progress is monitored. The school counselor provides access to district academic and social/emotional supports and community resources through the

counseling resource office. Services include the coordination of district programs such as McKinney Vento supports, Migrant Education supports, extended learning supports and intervention services.

- The school distributes information related to school and parent programs, meetings, and other activities to Title I parents in a format and language that the parents understand. *School calendars, documents and parent letters are distributed in English and Spanish.
