SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT MISSION

The Rio School District and community nurture learners to be self-driven to fully engage with the 21st century curriculum and tools aimed to develop the 5C practices; Communication, Collaboration, Critical Thinking, Creativity, and Caring.

DISTRICT VISION

The Rio School District and community empower students to achieve their full potential in our community, our American democracy and our diverse and changing world.

SCHOOL PROFILE

Rio School District serves the unincorporated community of El Rio, the RiverPark development and portions of the City of Oxnard. The District strives to provide world-class education to its more than 5,050 students through five elementary schools, two K-8 school schools, and two middle schools. Through teaching excellence, close working relationships and community partnerships, Rio School District inspires students and employees to strive to be lifelong learners who are engaged in the community.

ENROLLMENT BY STUDENT GROUP

The charts display student enrollment broken down by student group.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

INSTRUCTIONAL MATERIALS

Rio School District held a public hearing on September 13, 2023, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

SCHOOL FACILITIES

Rio Lindo School was originally constructed in 1964 and is comprised of 26 classrooms, multipurpose room, library, staff lounge, staff work room, and two playgrounds.

Cleaning Process

The principal works daily with the custodial staff to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student’s ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2022-23	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents have many opportunities to be involved at Rio Lindo School. Parents are involved in the PTA, the School Site Council, and the English Learner Advisory Committee.

Parent volunteers are active in the classrooms and with numerous special projects. Traditional events include: Jog-a-thon, Halloween Fall Festival, Family Game Nights, Family Movie Nights, Daughters, Sons and Family Dances, Reading and Math nights, and Winter program. Parents also adopt a classroom to help provide supplies.

Support services are in place to assist parents who may need referrals for counseling or assistance to reduce barriers due to homelessness.

Teachers currently utilize applications such as ParentSquare and Class Dojo to engage parents on a daily basis. The school utilizes social media such as Twitter and Facebook to further inform and engage community stakeholders. Parents may find the links to social media sites on the district and school webpage.

Parent participation is essential and highly encouraged. Please contact the school at (805) 485-3113 or email for parent involvement information.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

SCHOOL SAFETY

The safety of students and staff is a primary concern of Rio School District schools. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan was last reviewed and updated in August 2023 by the School Safety Committee. All revisions were communicated to both the classified and certificated staff. The school’s disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, and lockdown drills are conducted on a regular basis throughout the school year. Students are supervised before and after school and during breaks by teachers, administrators and additional school staff. There is a designated area for student drop off and pick up. All visitors must check in at the office and get a badge before they walk onto campus.

OTHER SARC INFORMATION

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit the public libraries located throughout Ventura County, which contain numerous computer workstations. For more information on hours and locations please visit: <http://www.vencolibrary.org/>.

PROFESSIONAL DEVELOPMENT

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. Three staff development days were offered for the past three years.
