

D0404 - Riverton

Middle School Wellness Policies

D0404 - Riverton is committed to providing school environments that promote and protect children's health, well-being and ability to learn by supporting healthy eating, nutrition education, physical activity and integrated school based wellness. D0404 - Riverton allows and encourages members of the school community and the general public to participate in the development and assessment of local wellness policies. It is the policy of D0404 - Riverton that:

Policies in Place

Nutrition

General Guidelines

All school food service personnel receive required food safety training at a minimum of every 5 years. Continuing education training for all food service personnel meets federal and state requirements.

The dining area has seating to accommodate all students during each serving period.

The food service area is clean, orderly, and has an inviting atmosphere that encourages meal consumption.

The dining area has adequate adult supervision.

The dining area has food service personnel and supervisory staff use positive communication cues with students to promote consumption of foods served as part of Child Nutrition Programs.

The students are allowed to converse with one another at least part of the meal time.

Mealtime conversation is not prohibited for the entire meal time as disciplinary action.

Reimbursable meals and/or parts of a reimbursable meal are not withheld or denied as a disciplinary action.

Content of reimbursable lunch and breakfast is identified near or at the beginning of the serving line(s).

Breakfast

All school breakfasts comply with [USDA regulations](#) and [state policies](#).

At least three different fruits are offered each week on three different days. At least one fruit per week is served fresh.

At least five different fruits are offered each week. At least two fruits per week are to be served fresh.

Students have the opportunity to eat breakfast.

District offers at least 15 minutes "seat time" to eat breakfast (not including time spent walking to and from class or waiting in line) or Grab n Go breakfast options are available.

Lunch

All school lunches comply with [USDA regulations](#) and [state policies](#).

At least three different fruits are offered each week. Two fruits per week are served fresh.

One additional 1/2 cup* vegetable offering weekly from any of three vegetable subgroups (dark-green, red/orange, dry beans and peas).

At least five different fruits are offered each week. Four fruits per week are served fresh.

An additional 1 cup* vegetable offering weekly from any of three vegetable subgroups (dark-green, red/orange, dry beans and peas).

Nutrition

Lunch

Students have at least 15 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

Students have at least 20 minutes "seat time" to eat lunch not including time spent walking to/from class or waiting in line.

All Food Sold in Schools

All food and beverages are in compliance with [USDA's Smart Snacks in School "All Foods Sold in Schools" Standards](#) from the midnight before to 30 minutes after the end of the official school day.

Fundraising within the school day meets [USDA's Smart Snacks in School "All Foods Sold in Schools" Standards](#) (sans the exempted fundraisers).

Fundraising activities involving the sale of food or beverages that meet [USDA's Smart Snacks in School "All Foods Sold in Schools" Standards](#) and/or exempted fundraisers will not take place until after the end of the last lunch period.

During the School Day

Students have access to free drinking water throughout the school day, including during meal service. Hygiene standards for all methods delivering drinking water will be maintained.

Students are allowed to have clear/translucent individual water bottles in the classroom where appropriate.

Students have clear/translucent individual water bottles in the classroom where appropriate.

Schools provide staff information on non-food rewards.

Nutrition Education

Nutrition Promotion

Students provide input on foods offered in the cafeteria.

District promotes participation in the [National School Lunch Program \(NSLP\)](#) and [School Breakfast Program \(SBP\)](#) if applicable and to choose nutritious foods and beverages throughout the day. Menus are posted on school website and/or distributed to families via another method.

District implements marketing and advertising of nutritious foods and beverages consistently through a comprehensive and multi-channel approach by school staff, teachers, parents and students .

District allows marketing (oral, written, or graphics) of only those foods and beverages sold on the school campus during the school day that meet the requirements set forth in the [Smart Snacks Rule](#) (Schools are not required to allow food or beverage marketing on campus).

Nutrition Education

All students in grades K-12 will have the opportunity to participate in culturally relevant participatory activities, as appropriate, and a variety of learning experiences that support development of healthful eating habits that are based on the most recent [Dietary Guidelines for Americans](#) and evidence-based information.

Include nutrition education as part of physical education/health education classes and/or stand-alone courses for all grade levels, including curricula that promote skill development.

Include nutrition and health posters, signage, or displays in the cafeteria food service and dining areas that are rotated, updated or changed quarterly.

Include nutrition and health posters, signage, or displays in the cafeteria food service and dining areas, classrooms, hallways, gymnasium, and/or bulletin boards that are rotated, updated or changed quarterly.

Physical Activity

General Guidelines

All students in grades K - 12 have the opportunity to participate in moderate to vigorous physical activity at least 2 times per week during the entire school year.

Physical Activity

General Guidelines

All students in grades K - 12 have the opportunity to participate in moderate to vigorous physical activity 3 or more times per week during the entire school year.

District prohibits the use of physical activity as a punishment. District prohibit withholding physical activity, including recess and physical education, as punishment.

District encourages extra physical activity time as an option for classroom rewards.

Physical Education

Physical education is taught by teachers licensed by the Kansas State Department of Education.

Physical education teachers are licensed and have advanced certification and/or education.

The physical education curriculum is sequential and consistent with Kansas State Board of Education approved physical education teaching standards for pre-kindergarten through grade 12.

Middle school students are offered physical education at all grade levels and receive 90-119 minutes of physical education per week, which includes at least 50% fo the minutes engaged in moderate to vigorous intensity activity.

Physical education curriculum encourages a multi-dimensional fitness assessment.

Family & Community

Community members are provided access to the district's outdoor physical activity facilities.

Throughout the Day

Structured physical activity opportunities, in addition to physical education and recess (where applicable), are encouraged for all students.

Before & After School

Extracurricular physical activity programs, such as a physical activity club or intramural programs, are offered.

Extracurricular physical activity programs, such as a physical activity club or intramural programs, are offered, with input from students, and meet the needs, interest and abilities of a diverse student body.

Integrated School Based Wellness

General Guidelines

The school wellness committee makes appropriate updates or modification to wellness policy based on assessment and an update on the progress toward meeting the State Model Wellness Policy is made available to the public, including parents, students and the community.

The wellness policy assessment and progress toward meeting the State Model Wellness Policy are presented to school and district staff.

The wellness policy assessment and progress toward meeting the State Model Wellness Policy are presented to and approved by the local school board.

Annual staff wellness activities and/or professional development opportunities related to nutrition, physical activity, mental health, and abstaining from tobacco and e-cigarettes are provided to encourage school staff to serve as healthy role models. Staff wellness activities and training may also include additional components of the [Whole School, Whole Community, Whole Child Model](#) .

Annually partner with local health agencies and community organizations.

Each semester, culturally relevant health education information is provided to families via handouts, postings on the school website, newsletters, presentations and workshops.

The local school wellness policy committee meets at least twice per year.
