SUPERINTENDENT'S REPORT

Mr. Todd Berry, Superintendent gave the board an update on the replacement of the auditorium seating.

Mr. Todd Berry, Superintendent, requested permission to hire additional labor this summer to assist with the general maintenance projects.

Mr. Todd Berry, Superintendent, discussed with the board the change from the State for funding out of state students. Beginning in the 2019-20 school year funding will be reduced to 75% State Aid for out of state students, then reduced to 50% State Aid the next year and no funding beginning the third year. The State does have two exemptions to allow the District to retain full funding for out of state students. The first criteria is if the student's parent or legal guardian is an employee at the school district. The other criteria is if a student attended public school in Kansas during the 2016-2017 school year, and have attended public school in the preceding school year, 2015-2016. The board will work on developing a policy that is similar to other Districts in the area.

Mr. Todd Berry, Superintendent, discussed the possibility of purchasing some type of utility vehicle(s) for use at the softball and baseball fields as well as for other District needs.
