Approval of November 16, 2017 minutes.

Facilities Report

Mr. Martinez reported on the following topics:

- Concrete and Parking Lot repairs
- Backflow prevention tests
- Hot water tank replaced and auditorium carpet replacement at the High School
- Kitchen RTU at the Middle School
- New equipment worked well with snow removal
- Radios delivered – Will program after the repeater at Bald Hill is in place.

Building Concerns

HS – Snow removal was great. There was one room that had a heating issue.

MS – Heat blowers were repaired. There was a magnet concern on the doors between the High School and Middle School.

JAE – No concerns.

FJC – No concerns.

Food Service – No Concerns

Emergency Evacuation Drills & Plans

High School and Middle School will have the next one during a passing time. They will be sending out a connect ed about the drill beforehand. The connect ed will not specify the date.

Security

Mr. Buchner stressed the importance of staff having their ID badges.

Old Business - None

New Business

Mr. Sandusky had a question about the number of students permitted to use the bathroom in the Middle School. Mr. Moeller stated that it is a judgment on the numbers and the Middle School was trying to stop the overflow at the bathrooms. Ms. Crossan stated that the High School does the same.
