**Parent/Guardian:** As a parent or guardian of the above-named student, I have read the Rocky Point UFSD Acceptable Use Policy #3120 available online. I understand that access to the Internet is for educational purposes and that the Rocky Point UFSD will take reasonable precautions to prevent access to controversial material. However, I understand that it is not possible to restrict access to all materials, and I will not hold the District liable for materials that may be acquired on the Internet by my child. I understand that my child's Internet account and network computer access will be valid as long as my child complies with the rules and requirements outlined in the Acceptable Use Policy.

In addition, the Rocky Point UFSD is making a concentrated effort to promote positive activities, honors, and work of our staff and students. This includes publishing work/photos to the District website, local newspapers, outside news media representatives, and also developing our own publications. Authorization to release student photo/work/recordings gives Rocky Point UFSD permission to submit photo/work/recordings to local newspapers, school newsletters, the school district website and/or other publications promoting District activities. Such material will become the property of the applicable media agency and the Rocky Point UFSD and its representatives are released from any and all claims that arise by taking such interviews, photographs, and/or recordings.
