- Use the e-mail address that that you provided when you registered your child. The only way to reset your password is via e-mail.
  - If your e-mail address changes, you will need to change this in the parent portal under "My Account" on the top right of your page.

Once you have successfully submitted your account request, district personnel will review your request. **You will receive an e-mail containing a link to activate that account.** Once you have activated your account, you are ready to login and view your child's information.
